Pursuant to due call and notice thereof, a regular meeting of the City Council of the City of Rapid City was held at City Hall, 300 Sixth Street, in Rapid City, South Dakota on Monday, August 16, 2021 at 6:30 P.M.

The following members were present: Mayor Steve Allender and the following Alderpersons: Ritchie Nordstrom, Greg Strommen, Lance Lehmann, Jason Salamun, Darla Drew, Ron Weifenbach, Pat Jones, John Roberts and Bill Evans; the following Alderpersons arrived during the course of the meeting: None; and the following were absent: Laura Armstrong

Staff members present included: City Attorney Joel Landeen, Police Chief Don Hedrick, Public Works Director Dale Tech, Parks and Recreation Director Jeff Biegler, Finance Director Pauline Sumption, Interim Community Development Director Vicki Fisher, IT Director Jim Gilbert, Fire Chief Jason Culberson, Assistant City Attorney Kinsley Groote, Assistant City Attorney Carla Cushman, The Monument General Manager Greg Baltzer, Communications Coordinator Darrell Shoemaker, and Administrative Coordinator Heidi Weaver.

ADOPTION OF AGENDA
Motion was made by Lehmann, second by Jones to adopt the agenda. Motion carried 9-0.

GENERAL PUBLIC COMMENT (3-minute time limit per speaker)
Neal Beets spoke on behalf of his daughter who received an enormously erroneous water bill. He does not feel there is a leak or a running faucet. The water department said they would make sure the remote device is checked for accuracy. He feels the problem will be resolved. Sean Jewett, local AFSCME Union representative addressed the council regarding all employees receiving hazard pay not just essential police officers and firemen. He would like the hazard pay reconsidered.

NON-PUBLIC HEARING ITEMS -- Items 1 – 42
Chuck Henrie spoke on items WS081121-02 and WS081121-03 and wanted to recognize essential employees for their work during COVID.

CONSENT ITEMS – Items 1 – 33
The following items were removed from the Consent Items:

25. WS081121-18: Approve Request for Interfund Loan of $1,056,260 Between SAB28 Fund and The Monument Fund.

Motion was made by Evans, second by Lehmann and carried to approve items 1-33 with the exception of item 25.

RESOLUTION 2021-080
A RESOLUTION APPOINTING THE PUBLIC WORKS DIRECTOR AS THE CITY’S REPRESENTATIVE TO A REGIONAL NONPROFIT CORPORATION ESTABLISHED TO STUDY AND PURSUE ADDITIONAL WATER SOURCES FOR WEST RIVER RESIDENTS
WHEREAS, western South Dakota, including Rapid City, has a future need for additional sources of quality domestic water; and

WHEREAS, a collaboration of governmental entities, including cities, rural water systems, water districts, and tribal governments, is in the process of forming a nonprofit corporation, which may be called the Western Dakota Regional Water System, Inc.; and

WHEREAS, the regional nonprofit will study the feasibility of obtaining water from the Missouri River and other sources and will likely take future actions to pursue funding sources to provide additional water sources to the corporation’s members; and

WHEREAS, Rapid City staff have been involved with the formation of the regional nonprofit and supportive of the mission of studying and pursuing additional water sources to the area; and

WHEREAS, the Common Council of the City of Rapid City is in support of the mission and efforts of the regional nonprofit being established for these purposes and the Common Council wishes for the City to become a member of the nonprofit corporation; and

WHEREAS, the Common Council of the City of Rapid City finds that it is in the best interests of the City to designate the Public Works Director to represent the City of Rapid City as part of the regional nonprofit (which may be called Western Dakota Regional Water System, Inc.) and to serve on the Board of Directors of the nonprofit corporation if elected by the membership.

NOW, THEREFORE, BE IT RESOLVED that the Common Council of the City of Rapid City resolves to be a member of the regional nonprofit established for the purposes outlined in this resolution, unless and until the Council takes further action to terminate its membership or otherwise alter its involvement in the regional nonprofit.

BE IT FURTHER RESOLVED that the Common Council of the City of Rapid City designates the Public Works Director to serve as its representative to the regional nonprofit and authorizes the Public Works Director to serve on the Board of Directors if elected and to take action to support and participate in the efforts of the corporation to study, fund, and construct additional water sources to the area, so long as the City remains a member of the nonprofit. The Public Works Director shall annually report to the Council regarding the activities of the nonprofit corporation.

BE IT FURTHER RESOLVED that if the Public Works Director position is open, then the Mayor may designate himself/herself as the City’s representative to the regional nonprofit or may appoint another City representative to serve as representative until the Public Works Director position is filled.

BE IT FURTHER RESOLVED that the Common Council authorizes the Public Works Director to pay from his or her budget any fees or dues required by the City’s membership in the regional nonprofit.

22. WS081121-15: Authorize the Mayor and Finance Director to Sign Resolution No. 2021-074 A Resolution Establishing a Maximum Connection Fee for Sewer Construction Projects in the Source Water Protection Area.

RESOLUTION 2021-074
A RESOLUTION ESTABLISHING A MAXIMUM CONNECTION FEE FOR SEWER CONSTRUCTION PROJECTS IN THE SOURCE WATER PROTECTION AREA

WHEREAS, a Source Water Protection Study completed for the City by Stanley Consultants in 2009 (City Project No. W07-1684) recommended the City eliminate on-site wastewater systems in sensitive aquifer recharge areas by, among other things, extending public sewers into these areas; and

WHEREAS, when the City completes these sewer extension projects, it generally requires the property owners to pay a connection fee to reimburse the City for their proportionate cost of the sewer utility prior to connection; and

WHEREAS, the imposition of high connection fees discourages people from abandoning their current on-site wastewater system and connecting to the City’s sewer system; and

WHEREAS, therefore, in 2010, the City adopted Resolution No. 2010-168 to establish a maximum connection fee of $7,500 for properties located in the source water protection areas, to encourage residents to abandon on-site wastewater systems and connect to the City’s sewer system; and

WHEREAS, because of increasing construction costs, the existing fee of $7,500 resulted in the City funding a large portion of these projects; and

WHEREAS, the City now wishes to update these rates to reflect today's construction costs and to better incentivize property owners to connect to City gravity sewer by adopting a discount for earlier connection; and

WHEREAS, the Common Council of the City of Rapid City finds that it is in the best interests of the City to cap the connection fee of sewer extension projects in areas identified in the Source Water Protection Study in order to encourage residents to abandon their on-site wastewater systems and connect to the City’s sewer system.

NOW, THEREFORE, BE IT RESOLVED by the City of Rapid City that any construction fees imposed pursuant to Resolution No. 2010-168 will remain capped at $7,500.

BE IT FURTHER RESOLVED that any new sewer connection / construction fees adopted after this Resolution for any sewer extension projects identified by the Public Works Director or his/her designee as source water protection projects be capped at $12,000 per property.
However, the discounted rate for connection within the first year after the date of approval of the construction fee resolution is $7,500. The discounted rate for connection within the second year after the date of approval of the construction fee resolution is $10,000. These discounts apply only to construction fees that exceed $12,000 and are therefore capped at that amount per this resolution.

BE IT FURTHER RESOLVED that this policy will apply only to sewer extension projects located within City limits.

BE IT FURTHER RESOLVED that this policy will not preclude the obligation of the property owner to pay any other construction fees, tapping fees, inspection fees, permit fees, etc. that are required for a connection to the City sewer system.

BE IT FURTHER RESOLVED that the determination of what constitutes a source water protection project will be based on the 2009 Source Water Protection Study and as determined by the Public Works Director or his/her designee.

BE IT FURTHER RESOLVED that Resolution 2010-168 A Resolution Establishing a Maximum Connection Fee for Sewer Construction Projects Identified in the Source Water Protection Study (W07-1684) prepared by Stanley consultants in July 2009 is hereby repealed.

A RESOLUTION CONCERNING TAX SALE CERTIFICATE NO. 170359

WHEREAS, SDCL 9-27-9 authorizes the City of Rapid City to purchase the assignment of tax sale certificates for property located within the limits of the City; and

WHEREAS, Pennington County currently holds Tax Sale Certificate No. 170359 for property legally described as Tract A, Autumn Hills Subdivision, Rapid City, South Dakota; and
WHEREAS, this property abuts Sheridan Lake Road and purportedly includes City drainage easements and a utility easement; and

WHEREAS, the City has a number of special assessments outstanding as well as other taxes belonging to the municipality against such property; and

WHEREAS, under the recommendation of the Public Works Department, the Common Council finds it in the best interest of the City to purchase the assignment of Tax Sale Certificate No. 170359 from the County.

NOW, THEREFORE, BE IT RESOLVED by the City of Rapid City that the Rapid City Finance Director is authorized to demand of the Pennington County Treasurer an assignment to the City of Tax Sale Certificate No. 170359. The Finance Director is authorized to pay the Pennington County Treasurer for the assignment of the tax certificate in accordance with SDCL 9-27-9.

BE IT FURTHER RESOLVED that, if it is necessary in accordance with the City purchasing the assignment of such certificate, the Finance Director is authorized to abate or write off any special assessments or other taxes owing to the City for this property.

Community Development Items

Mayor Allender read in item (No. 21PL069) A request by Citcra LLC for a Preliminary Subdivision Plan for proposed Lots 1 and 2 of Block 6 of Kateland Subdivision, generally described as being located southeast of the intersection of Country Road West and Brook Street. Motion was made by Lehmann, second by Strommen and carried to approve with the following stipulations: 1. Upon submittal of a Final Plat application, the two proposed lots shall be included on the same plat document as the nine proposed lots included in the Development Engineering Plan application (File #21PL028) for the adjacent phase of the Kateland Subdivision or a Development Engineering Plan application shall be submitted for these two proposed lots limiting the construction of Country Road West and Brooke Street to that portion of the right(s)-of-way that abut the subject property. If the two phases are combined into one Final Plat, then a Development Engineering Plan application is not required for the subject property as the street, drainage and utility improvements are addressed as a part of the approved construction plans for File #21PL028; 2. If the applicant chooses to Final Plat the two phases of Kateland Subdivision separately then the following items shall also be addressed as a part of the Development Engineering Plan application for this phase of the development:

a) Engineering design reports (in part to include water, sewer, drainage, and pavement) required for construction approval shall be accepted and agreements required for construction approval shall be executed pursuant to Chapter 1.15 of the Infrastructure Design Criteria Manual. In addition, permits required for construction shall be approved and issued and construction plans shall be accepted in accordance with the Infrastructure Design Criteria Manual. All final engineering reports shall be signed and sealed by a Professional Engineer and contain a Certification Statement of Conformance with City Standards, as required by the Infrastructure Design Criteria Manual;

b) Construction plans for Country Road West (collector street) and Brooke Street (local street) shall be submitted for review and approval pursuant to Table 2-4 of the Infrastructure Design Criteria Manual or shall meet criteria for obtaining an Exception. If Exception(s) are obtained, a copy of the approved document(s) shall be submitted with the Development Engineering Plan application;

c) A cost estimate for the required subdivision improvements shall be submitted for review and approval;

d) A Development Agreement shall be entered into with the City for all public improvements;

e) Approval from the South Dakota Department of Agriculture and Natural Resources shall be secured;

f) An Oversize Agreement shall be entered into with the City;

g) Any necessary off-site easements shall be secured;

3. Upon submittal of a Final Plat application, an agreement shall be submitted for recording securing ownership and maintenance of any proposed drainage elements and a Major Drainage Easement shall be dedicated for all drainage improvements; 4. Upon submittal of a Final Plat application, surety for any required subdivision improvements that have not been completed shall be posted and the subdivision inspection fees shall be paid; and, 5. Prior to the City’s acceptance of the public improvements, a warranty surety shall be submitted for review and approval as required.
Mayor Allender read in item (No. 21PL070) A request by KTM Design Solutions, Inc for Yasmeen Dream II, LLC for a Preliminary Subdivision Plan for proposed Tract 1 of Diamond Ridge Subdivision, generally described as being located at the intersection of Diamond Ridge Boulevard and Radiant Avenue. Motion was made by Drew, second by Roberts and carried to approve with the following stipulations: 1. Upon submittal of a Development Engineering Plan application, the plat document shall be revised to show the northern plat boundary as being on the section line highway with the dedication of the south 50 feet of right-of-way for Anamosa Street. In addition, construction plans for Anamosa Street shall be submitted for review and approval pursuant to Figure 2-1 of the Infrastructure Design Criteria Manual for a principal arterial street or shall meet criteria for obtaining an Exception. If an Exception is obtained, a copy of the approved document shall be submitted with the Development Engineering Plan application; 2. Upon submittal of a Development Engineering Plan application, construction plans for the cul-de-sac bulb for Radiant Avenue shall be submitted for review and approval pursuant to Table 2-4 of the Infrastructure Design Criteria Manual or shall meet criteria for obtaining an Exception. If an Exception is obtained, a copy of the approved document shall be submitted with the Development Engineering Plan application; 3. Prior to submittal of a Development Engineering Plan application, an Exception shall be obtained from City Council to allow 54 dwelling units with one point of access in lieu of a maximum of 40 dwelling units or the plat document shall be revised accordingly. If an Exception is obtained, then upon submittal of a Final Plat application, a Covenant Agreement shall be entered into with the City to ensure that fire suppression systems are installed in all residential structures. The system design and installation shall meet the system requirements of NFPA 13, 13R and 13D, as applicable; 4. Upon submittal of a Development Engineering Plan application, a cost estimate for the required subdivision improvements shall be submitted for review and approval; 5. Prior to approval of the Development Engineering Plan application, a Development Agreement shall be entered into with the City for all public improvements; 6. Prior to approval of the Development Engineering Plan application, engineering design reports (in part to include water, sewer, drainage, and pavement) required for construction approval shall be accepted and agreements required for construction approval shall be executed pursuant to Chapter 1.15 of the Infrastructure Design Criteria Manual. In addition, permits required for construction shall be approved and issued and construction plans shall be accepted in accordance with the Infrastructure Design Criteria Manual. All final engineering reports shall be signed and sealed by a Professional Engineer and contain a Certification Statement of Conformance with City Standards, as required by the Infrastructure Design Criteria Manual; 7. Prior to approval of the Development Engineering Plan application, approval from the South Dakota Department of Agriculture and Natural Resources shall be secured; 8. Prior to approval of the Development Engineering Plan application, any necessary off-site easements shall be recorded; 9. Prior to submittal of a Final Plat, the adjacent right-of-way for Radiant Avenue and Diamond Ridge Boulevard shall be dedicated to provide access to the proposed lot or the Final Plat for the subject property shall be revised to include the right(s)-of-way; 10. Upon submittal of a Final Plat application, an agreement shall be submitted for recording securing ownership and maintenance of any proposed drainage elements and a Major Drainage easement shall be dedicated for all drainage improvements; 11. Upon submittal of a Final Plat application, surety for any required subdivision improvements that have not been completed shall be posted and the subdivision inspection fees shall be paid; and, 12. Prior to the City’s acceptance of the public improvements, a warranty surety shall be submitted for review and approval as required.
