17.50.105 Medical Cannabis Establishments.

Accordingly, the city shall deny any application for a building permit or zoning application by a medical cannabis establishment prior to such adoption of zoning regulations authorizing its use.

B. This ordinance is necessary to protect and immediately preserve the public health, safety, welfare, peace, and support of the municipal government and its existing public institutions pursuant to SDCL 9-19-13. This ordinance is also necessary to protect the public health, safety, and general welfare of the city and its citizens, pursuant to SDCL 11-43.1.
17.50.105 Medical Cannabis Establishments.

A. Purpose and intent. It is the purpose of this section to regulate medical cannabis establishments to promote the health, safety, and general welfare of the citizens of Rapid City, and to establish reasonable and uniform regulations to allow medical cannabis land uses in appropriate areas without harm to the city’s residential, commercial, and industrial neighborhoods.

B. Definitions. The following words, terms, and phrases, when used in relation to medical cannabis establishments, shall have the meanings ascribed to them as follows:

1. Cannabis products means any concentrated cannabis, cannabis extracts, and products that are infused with cannabis or an extract thereof, and are intended for use or consumption by humans. The term includes edible cannabis products, beverages, topical products, ointments, oils, and tinctures.

2. Church means a church, synagogue, mosque, temple, or building which is used primarily for religious worship and related religious activities.

3. Medical cannabis cultivation facility or cultivation facility means an enterprise, whether for profit or not, that carries on any activity involving the planting, growing, cultivation, harvesting, drying, curing, grading, or trimming of cannabis for the purpose of sale to others.

4. Medical cannabis dispensary or dispensary means an enterprise, whether for profit or not, that acquires, possesses, stores, delivers, transfers, transports, sells, supplies, or dispenses cannabis, cannabis products, paraphernalia, or related supplies.

5. Medical cannabis establishment means a business enterprise registered by the State of South Dakota Department of Health as a medical cannabis cultivation facility, a medical cannabis dispensary, a medical cannabis manufacturing facility, or a medical cannabis testing facility.

6. Medical cannabis product manufacturing facility or manufacturing facility means an enterprise, whether for profit or not, that carries on any activity involving the compounding, blending, extracting, infusing, or otherwise making or preparing of a cannabis product.

Any term not specifically defined herein shall have the meaning ascribed to it by Chapter 17.04 or applicable state law.
C. **Location of establishments.** Medical cannabis establishments shall meet the location requirements of state law. In addition, medical cannabis establishments shall meet the following requirements:

1. A medical cannabis establishment shall not be permitted to operate within 1,000 feet of a public or private school.
2. Cultivation and manufacturing facilities shall not be permitted to operate within 500 feet of a child care center, church, public park, or property zoned as a residential district.
3. A dispensary may be permitted to operate within 500 feet of a child care center, church, public park, or a property zoned as a residential district only by obtaining a conditional use permit pursuant to § 17.54.030, and Subsection D below.

6. Registration with the South Dakota Department of Health shall be required for operation of any medical cannabis establishment. Failure to obtain a registration certificate, or revocation of a registration certificate, shall disqualify the establishment as a permitted use in all zoning districts and shall be sufficient cause for revocation of a conditional use permit.
BE IT FURTHER ORDAINED by the City of Rapid City that if any provision of this ordinance shall be held invalid, its invalidity shall not affect any other provisions of this ordinance that can be given effect without the invalid provision, and for this purpose the provisions of this ordinance are declared to be severable.
