General Summary: This position is responsible for investigating and reconstructing traffic crashes with other qualified traffic personnel.

Essential Duties and Responsibilities:

The intent of this job description is to provide a representative summary of the major duties and responsibilities performed by incumbents of this job. Incumbents may be requested to perform job-related tasks other than those specifically presented in this description.

- Performs all duties of a Traffic Crash Investigator.
- Reconstruc... and testimonies to document and support all findings.
- Acts as an instructor in Traffic Crash Investigation when necessary.

Qualifications:

Education and/or Experience:

High school diploma or general education degree (GED) and five years’ experience in traffic crash investigation and one-year experience as a reconstructionist

Certificates, Licenses, Registrations:

Must possess a valid South Dakota Drivers license or ability to obtain within 30 days from date of hire. Completion of and certification in the Intermediate and Advanced Accident Investigation and Traffic Crash Reconstructionist courses. Ability to obtain National Crime Information Center (NCIC) certification within 6 months from date of hire.

Working Conditions:

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of the job, the employee is regularly exposed to outside weather conditions. The employee is frequently exposed to moving mechanical parts. The employee is occasionally exposed to fumes or airborne particles; toxic or caustic chemicals and risk of electrical shock. The noise level in the work environment is usually loud.
Physical Demands:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee is regularly required to sit; use hands to finger, handle, or feel; reach with hands and arms and talk or hear. The employee is occasionally required to stand; walk; climb or balance and stoop, kneel, crouch, or crawl. The employee must occasionally lift and/or move more than 100 pounds.

Other Skills and Abilities

Must be available for call-outs and willing to work rotating shifts.
