To Whom It May Concern:

I would like to formally protest the conditional use permit #21UR036 at 1513 E Philadelphia Rapid City SD 57701. I believe this property is too close in proximity to the parks, schools, churches and residential areas. It is my belief that there are plenty of areas to operate cannabis businesses in areas that are not frequented by children and do not require a conditional use permit. I am a supporter of cannabis businesses operating in our community, however, not at the expense of our children's safety. On behalf of myself and Rapid City residents, I would like to request the proposed business owner to provide a survey proving that the proposed business will be located a safe distance from areas frequented by children.

Thanks,
