 <p>PARKS & REC RAPID CITY</p>	<p>MEMORIAL DONATION & GIFT PROGRAM POLICY</p>
<p>PARKS AND RECREATION DEPARTMENT 515 WEST BLVD, RAPID CITY, SD 57701 605.394.4175</p>	

The purpose of this policy is to establish guidelines for the consistent decision-making process related to acceptance, placement and long-term maintenance of public requests for memorial donations in City-owned facilities, parks, natural areas and trail system.

The protection of the natural environment is a high priority. To this end, the City's Parks and Recreation Department may limit memorials in order to promote resource management and sustainability of natural landscapes. The integrity, natural and architectural features of parks, natural areas and facilities will be preserved and not detract from a user's experience. The Parks and Recreation Department will determine if an area is fully developed and no more donations will be accepted. Final decision on placement of memorials will be made by the Parks and Recreation Advisory Board.

The City does not guarantee permanency of the memorial. If a memorial must be removed or relocated, Department staff will attempt to notify the donor at the address shown on the completed Memorial Donation & Gift Agreement Form. The City is in no way obligated to replace the gift if it is stolen, vandalized, worn out or destroyed.

All proposals will be evaluated by Parks and Recreation staff according to the following criteria:

- Placement of enhancements in the Parks and Recreation system must be compatible with existing development plans.
- Memorials shall not detract from or overpower the scenic or architectural values of the existing environment.
- All memorials will be constructed of materials that meet the design and maintenance considerations of the Parks and Recreation Department.
- Large scale memorial donations may be considered on a case-by-case basis as they relate to park planning and other city approval processes.
- Non-designated monetary memorial donations will be used to meet current needs of the Department as recommended by the Department Director.
- Memorials with a commercial appearance or corporate label will not be allowed.
- Donations that are "Headstone" in nature will be discouraged.

Procedure

Donor talks/meets with Department staff to share ideas and then submits a completed Memorial Donation & Gift Agreement Form to the Parks and Recreation Department. Suggested memorial items and associated costs are shown on the attached Memorial and Donation Options list.

Department staff will review and determine the appropriateness of the proposal as measured by the approval criteria. Department staff will notify the donor of the review decision, identifying any final conditions of approval.

With a positive review decision, staff will place the application on the Parks and Recreation Advisory Board meeting agenda for final approval. The applicant will be notified of the date of the Parks and Recreation Advisory Board meeting and encouraged to attend.

The Parks and Recreation Advisory Board's approval and payment in full must be received before ordering and installation of the memorial may proceed. The City shall be responsible for installation of the item and maintenance for a period of ten years. Once installed the memorial becomes the property of the City of Rapid City.
