The Development Review Team Recommends that the request for a Conditional Use Permit to allow conversion of an existing billboard into a digital message center be approved for the following reasons:

- The requested Conditional Use Permit is to allow an on-sale liquor establishment to be developed as an accessory use to the Vita Sana Olive Oil Company. The applicant is proposing to allow tasting and small promotional events at the location. Based on the operation plan submitted, the facility will not function as a bar, and the sale/service of beer and wine only will be an accessory use to the primary artisanal food shop.
- Vita Sana Olive Oil Company is located within the Central Business District, which does not require that off-street parking or landscaping be provided. The requested use meets all minimum requirements of the Rapid City Municipal Code.
- Vita Sana Olive Oil Company is a local business located in an area where a mix of commercial, activity-generating, pedestrian-oriented uses is desirable. The proposed on-sale liquor use will encourage more of these types of high-intensity commercial activities in the area.

Staff recommends that the requested Conditional Use Permit be approved with the following stipulations:
