Motion was made by Drew, second by Nordstrom to approve. Drew thanked Human Resources and other departments for their efforts. Salamun was happy they were able to come to a compromise and acknowledged retaining good employees is important. Discussion continued on how raises are determined and what funds they come from. Council President Lance Lehmann read in item (CC030722-04.4) Approve Award of Revised Total Base Bid plus Alternate 2 for Dinosaur Park Accessibility Improvements, Project No. PR20-6180 opened on March 1, 2022 to MAC Construction Co., Inc. in the amount of $3,494,910.81. (This item was continued from the March 7, 2022 City Council Meeting.) Drew asked about cost reduction for this project. Melissa Petersen addressed the council. She stated the Parks and Rec Department was able to save money on not creating the plaza area. They will have ADA work done on the walking path, dinosaurs and stairs. The work will start in the Fall of 2022. Motion was made by Salamun, second by Jones to approve. Salamun stated this project is possible because of the Vision Funds. It is an iconic landmark in our community. Petersen indicated the completion date would be around 2023. It will be closed at different times of the year to work on certain areas in need of repair. Petersen said the city budgeted $3.5 million on this project and were able to negotiate the base bid to $3.9 million by changing some building materials, cutting out the plaza and using more efficient planting materials. Legal and Finance Committee Items
Council President Lehmann read in item (LF031622-07) Approve FY2022 Rapid City Arts Council Funding Recommendations for Community Investments (Arts & Humanities). This item was sent to council without recommendation. Motion was made by Jones, second by Evans to approve the funding request by taking $8627 out of undesignated cash and giving it to the Rapid City Arts Council. Jones promoted the ranger band, high school bands who also perform in parades, concerts in the summer, and BH Symphony Orchestra. People give their time and talent and the city should support giving them the additional $8627. Sumption is hesitant to change the recommendation of the Arts Council. She said if this allocation was approved the council would need to do a supplemental appropriation. She suggested they raise the amount in 2023 if that's what they want to do. Drew stated $8000 is not that much and it's a good investment. Nordstrom stated he would support approval. Roberts spoke against the additional funds. The council can't just move money whenever someone is passionate about something. Motion to approve the additional funding failed 5-4 with Jones, Evans, Nordstrom and Drew voting in favor. Substitute motion by Roberts, second by Lehmann to leave funding as is. Motion carried 9-0.
