RE: Request for Expenditure – Mental Health Awareness Project

1. Motion From Committee
   1.1. During the regularly scheduled Rapid City Youth City Council meeting held on the 19th of April 2022, the following motion was passed unanimously by present voting members.
   1.2. Approved Motion: “The Rapid City Youth City Council is requesting the approval of an expenditure in the amount of $200 for a mental health awareness project.”

2. Supporting Information
   2.1. The current approved Rapid City Youth City Council Budget outlines $1350 for Community Engagement materials and equipment for which $0 has been expended.
   2.2. The following is a general breakdown of the requested expenditure:
   • 500 FHIS (finding help is strong) stickers – in kind donation from Dakota Party
   • 150 FHIS buttons - $100
   • 150 FHIS silicon bracelets - $100
   2.3. One of the main causes of death in teens is suicide, so if we can help even one person through this project a difference would be made. In addition, we have found a student created linktree that connects you to several helpful and reliable mental health resources, from a daily mental health check to the suicide prevention line. The QR code for this link will be on the stickers and buttons. https://linktree/mentalhealthhelpandknowledge

Respectfully Submitted this 21st day of April 2022.
