Rapid City Planning Commission
Conditional Use Permit Project Report
May 5, 2022

Item #9

Applicant Request(s)
Case #22UR009 – Conditional Use Permit to allow a Medical Cannabis Dispensary
Companion Case(s):

Development Review Team Recommendation(s)
Staff recommends that the Conditional Use Permit to allow a Medical Cannabis Dispensary be approved with the stipulations outlined below.

Project Summary Brief
The applicant has submitted a Conditional Use Permit application to allow a medical cannabis dispensary at 771 Mountain View Road. There is currently a shopping center and multiple outbuildings located on the property. The applicant is proposing a Medical Cannabis Establishment in a 425 square-foot outbuilding. The applicant has indicated that the medical cannabis dispensary, to be known as Genesis Farms, will be open Monday through Saturday from 10:00 a.m. to 8:00 p.m. The applicant previously applied for a Conditional Use Permit to allow a Medical Cannabis Dispensary for a different location on the property (File #21UR042). That application was approved by Planning Commission on December 9, 2021 and was subsequently appealed to City Council. On December 27, 2021, City Council upheld the appeal, thereby overturning the approval by Planning Commission.

Pursuant to SDCL 34-20G, the City of Rapid City adopted Ordinances to regulate the time, place, manner and number of medical cannabis establishments within the City. The adopted Ordinances are intended to balance the varied interests and lessen any potentially deleterious effects on neighboring properties for what will be a new use of property within the City of Rapid City. The City also adopted an Ordinance limiting the number of licenses to be issued for medical cannabis dispensaries to 15 licenses to ensure that there is not a saturation of use within our community. The proposed State regulations require that all medical cannabis establishments be a minimum distance of 1,000 feet from public or private schools. The adopted City Ordinance includes language to promote separation between other specific uses to minimize the impact and preserve the character of the neighborhood. More specifically, a medical cannabis dispensary is a permitted use within the Shopping Center-2 District unless it is located within 500 feet of a childcare center, church, public park, or property zoned as a residential district. In these instances, a Conditional Use Permit is required.

The subject property is zoned Shopping Center-2 District but is located adjacent to park land. As such, the applicant has submitted this Conditional Use Permit application for the review and approval by the Planning Commission. In reviewing this location, the Planning Commission must determine if the proposed use is adequately buffered from the park land and ensure that the use at this location does not create a saturation of similar uses within this area of our community.

Planning Commission Criteria and Findings for Approval or Denial

Pursuant to Section 17.50.105 of the Rapid City Municipal Code the Planning Commission shall consider the following criteria for a request to allow a medical cannabis dispensary:

<table>
<thead>
<tr>
<th>Criteria</th>
<th>Findings</th>
</tr>
</thead>
<tbody>
<tr>
<td>1. The property shall not be located within 1,000 feet of a public or private school:</td>
<td>Pursuant to South Dakota Codified Law (SDCL) 34-20G, the use shall not be allowed within 1,000 feet of a public or private school. The City does not have the authority to waive this requirement. Upon review of this location, it has been determined that the use is not located within 1,000 feet of a public or private school.</td>
</tr>
<tr>
<td>2. The dispensary shall be operated completely within an enclosed structure:</td>
<td>The applicant has submitted an operational plan identifying that the dispensary will be operated completely within an enclosed structure.</td>
</tr>
<tr>
<td>3. The applicant shall submit the following plans demonstrating compliance with all applicable laws, regulations, administrative rules, and ordinances, including but not limited to § 17.50.105: a) an operating plan; b) a waste management plan; c) a security plan and d) an odor control plan:</td>
<td>Operational Plan - The applicant has indicated that the dispensary will be open Monday through Saturday from 10:00 a.m. to 8:00 p.m. Each prospective employee will be required to pass a criminal history background check. Security Plan - The dispensary floor plan features separate spaces, access points, and structural security features. Security features include an on-site trained security guard presence, commercial grade locking systems, restricted access cards and card-readers with associated programming for verification and tracking, high-resolution surveillance cameras, motion detectors/alarm systems, sufficient interior and exterior lighting, and a designated security storage room with a back-up power generator and a failure notification system which is intended to maintain security systems in the event of a power outage and to immediately notify the management team in the event of</td>
</tr>
</tbody>
</table>

4
any alarm activations, outages or other incidents.

Waste Management Plan - All waste, including waste composed of or containing finished marijuana and cannabis products shall be stored, secured, locked, and managed in accordance with State laws and Department Rules. Genesis Farms shall have separate locked limited access areas for storage of all medical cannabis and medical cannabis products, with separate storage and labeling in the secure storage area for any cannabis or cannabis products that are expired, damaged, deteriorated, mislabeled, contaminated, recalled or whose containers or packaging have been opened or breached until such inventory can be properly documented, destroyed or otherwise disposed of as required under Department Rules. "Cannabis waste" shall mean any solid, liquid, semi-solid contained gaseous material that is generated, stored or received by Genesis Farms' facility and shall include unused, surplus, returned, recalled, contaminated, or expired medical cannabis or medical cannabis products; and if applicable, wastewater.

Odor Control Plan - The dispensary facility will ensure odor is not detected outside the licensed premises by implementing several measures, which are detailed in the attached odor control plan, including but not limited to, the installation of air filtration and odor control/HVAC technology, a requirement that all cannabis inventory arrive and remain at the dispensary premises in sealed packaging containers, and a rapid response procedure to any detections or complaints. In addition, the dispensary will enforce a strict zero tolerance policy prohibiting consumption of cannabis products on-site.

4. The dispensary shall comply with all requirements of the Fire Code adopted as Chapter 8.24 of the Rapid City Municipal Code:

The Fire Department has noted that the applicant must contact the Rapid City Fire Department, Fire and Life Safety Division for guidance and assistance to determine the specific needs for this building. If the building is not currently equipped with the required protective features, a corrective plan of action must be developed in coordination with the Fire Department. All corrective actions and timeframes will be secured with a covenant agreement prepared by the Rapid City Attorney's Office. Such covenant must be established prior to issuance of a certificate of occupancy.

5. The property shall not be located within 500 feet of a childcare center, church, public park, or property zoned as a residential district. If this separation cannot be met, then a Conditional Use Permit shall be required:

The property is zoned Shopping Center-2 District. A dispensary within 500 feet of a childcare center, church, public park, or property zoned as a residential district is identified as a conditional use in the district. As previously noted, the subject property is located adjacent to park land. The park land is primarily used for open space and drainage. The Bike Path is located in the open space, but is located on the other side of Rapid Creek from the property, which provides a buffer between uses. The dispensary signage will not be visible from the Bike Path due to vegetation along Rapid Creek.

6. The proposed use has been

See below
<table>
<thead>
<tr>
<th>Planning Commission Criteria and Findings for Approval or Denial</th>
</tr>
</thead>
<tbody>
<tr>
<td>Pursuant to Section 17.54.030(E) of the Rapid City Municipal Code the Planning Commission shall consider the following criteria:</td>
</tr>
<tr>
<td>1. The location, character and natural features of the property: The property is approximately 15.19 acres in size and is located at 771 Mountain View Road. The property is zoned Shopping Center-2 District and is currently developed as a shopping center with multiple outbuildings.</td>
</tr>
<tr>
<td>2. The location, character and design of adjacent buildings: The properties to the north and east are zoned General Commercial Zoning District. The property to the south is zoned Park Forest Zoning District. The property to the west is zoned Flood Hazard Zoning District. The properties to the north and east are developed with existing commercial buildings. The property to the south includes a medical building and park land. The property to the west is a drainage area.</td>
</tr>
<tr>
<td>3. Proposed fencing, screening and landscaping: The applicant is not proposing any new fencing or screening. The existing landscaping is legal non-conforming.</td>
</tr>
<tr>
<td>4. Proposed vegetation, topography and natural drainage: The property is primarily flat. Utilizing an existing structure for the location of the proposed dispensary does not alter the existing topography or drainage on the property.</td>
</tr>
<tr>
<td>5. Proposed pedestrian and vehicular access, circulation and parking, including that related to bicycles and other unpowered vehicles and provisions for handicapped persons: Vehicular access to the proposed medical cannabis dispensary is from West Main Street and Mountain View Road, which are classified as Principal Arterial streets on the City’s Major Street Plan. Canyon Lake Drive, which is classified as a Minor Arterial street on the City’s Major Street Plan, also provides access to the property. The existing parking is legal non-conforming. Any change in use which increases the minimum required parking will require review of an amendment to the Conditional Use Permit.</td>
</tr>
<tr>
<td>6. Existing traffic and traffic to be generated by the proposed use: The subject property is located within a commercial corridor with an existing street design to accommodate the commercial traffic. A 425 square-foot medical cannabis dispensary will have a minimal impact on traffic at this location.</td>
</tr>
<tr>
<td>7. Proposed signs and lighting: No electronic signage is being approved as a part of the Conditional Use Permit application. Wall signage is proposed in compliance with the Rapid City Municipal Code.</td>
</tr>
<tr>
<td>8. The availability of public utilities and services: The property is currently served by public utilities including Rapid City sewer and water.</td>
</tr>
<tr>
<td>9. The objectives of the adopted comprehensive plan and the purpose of the ordinance codified herein: The property is zoned Shopping Center-2 District. A dispensary within 500 feet of a childcare center, church, public park, or property zoned as a residential district is identified as a conditional use in the district. As previously noted, the subject property is located adjacent to park land. The park land is primarily used for open space and drainage. The Bike Path is located in the open space, but is located on the other side of Rapid Creek from the property, which provides a buffer between uses. The dispensary signage will not be visible from the Bike Path due to vegetation along Rapid Creek.</td>
</tr>
<tr>
<td>10. The overall density, yard, height and other requirements of the zone in which it is located: No additional structural development is being proposed. The existing development located on the property is in</td>
</tr>
</tbody>
</table>
compliance with the overall density, yard and height requirements of the Zoning Ordinance.

11. The effects of noise, odor, smoke, dust, air, and water pollution and the degree of control through the use of clarifiers, screening, setbacks and orientation:

Pursuant to the City's Medical Cannabis Establishment Ordinance, the applicant has submitted a waste management plan and an odor control plan. The waste management plan must be continually monitored to ensure the security of waste handling. In addition, the odor control plan must be continually monitored to ensure that all ventilation, odor abatement, and any other measures are taken to prevent nuisances. The premises must be properly ventilated and the exhaust air filtered or treated to neutralize the odor from cannabis so that the odor cannot be detected by a person with a normal sense of smell at the property line of the premises or on any adjoining property. No operable windows or exhaust vents shall be located on the building façade that abuts a residential use or zone. Exhaust vents on rooftops must direct exhaust away from residential uses or zones.

12. The degree to which conditions imposed will mitigate any probable adverse impacts of the proposed use on existing adjacent uses:

The stipulations of approval will ensure that the proposed medical cannabis dispensary is operated in compliance with the submitted operational plan and that any expansion of use will require a Major Amendment to the Conditional Use Permit.

Planning Commission Comprehensive Plan Policy Guidance for Approval or Denial

In considering an application for approval or denial the Planning Commission finds that the application either complies or does not comply with the following values, principles, goals, and policies within the Rapid City Comprehensive Plan:

<table>
<thead>
<tr>
<th>Comprehensive Plan Conformance – Core Values Chapters</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>A Balanced Pattern of Growth</strong></td>
</tr>
<tr>
<td>BPG-3.1A Support a balanced mix of residential, commercial, employment, public uses, parks and green space throughout the community. A medical cannabis dispensary in this location encourages the geographic distribution of use across the City.</td>
</tr>
<tr>
<td><strong>A Vibrant, Livable Community</strong></td>
</tr>
<tr>
<td>LC-3.1C Compatible Infill and Redevelopment: This goal encourages compatible infill development to take advantage of existing infrastructure and to encourage additional upkeep and reinvestment. A medical cannabis dispensary at this location in an existing commercial building will meet this goal.</td>
</tr>
<tr>
<td><strong>A Safe, Healthy, Inclusive, and Skilled Community</strong></td>
</tr>
<tr>
<td>N/A N/A</td>
</tr>
<tr>
<td><strong>Efficient Transportation and Infrastructure Systems</strong></td>
</tr>
<tr>
<td>TI-2.1A Major Street Plan Integration: The subject property abuts multiple arterial streets on the City’s Major Street Plan. This area is a developed commercial corridor with the potential for reinvestment of properties along the corridor.</td>
</tr>
<tr>
<td><strong>Economic Stability and Growth</strong></td>
</tr>
<tr>
<td>EC-3.1C Other Employment Areas: This goal encourages the development, redevelopment, and reinvestment in an array of employment opportunities in</td>
</tr>
</tbody>
</table>
mixed-use commercial areas. A medical cannabis dispensary brings additional employment opportunities to the area.

#### Findings

Staff has reviewed the Conditional Use Permit to allow a medical cannabis dispensary pursuant to Chapter 17.18, Chapter 17.50.105 and Chapter 17.54.030 of the Rapid City Municipal Code and the goals, policies, and objectives of the adopted Comprehensive Plan. The proposed medical cannabis dispensary appears to be sufficiently buffered from the existing park use. The dispensary location will not be visible from the Bike Path and does not result in a saturation of use at this location.

#### Planning Commission Recommendation and Stipulations of Approval

Staff recommends that the Conditional Use Permit be approved with the following stipulation(s):

1. Prior to issuance of a building permit, a medical cannabis dispensary license shall be secured from the South Dakota Department of Health;

2. Prior to issuance of a building permit, the applicant shall coordinate with the Rapid City Fire Department Fire and Life Safety Division to establish a plan with acceptable time frames to provide an approved fire sprinkler protection and associated fire alarm systems designed and installed as per NFPA 13 and NFPA 72, respectively, and shall be provided throughout the building containing the cannabis related activity. Where applicable, a covenant agreement addressing the fire protection system installation, shall be entered into prior to issuance of a certificate of occupancy;

3. The waste management plan shall be continually monitored to ensure the security of waste handling;

4. The security plan shall be continually monitored to ensure that all areas and operation of the medical cannabis dispensary are provided 24/7 surveillance and recovery of video shall be provided as needed;

5. The odor control plan shall be continually monitored to ensure that all ventilation, odor abatement, and any other measures are taken to prevent nuisances. The premises shall be properly ventilated and the exhaust air filtered or treated to neutralize the odor from cannabis so that the odor cannot be detected by a person with a normal sense of smell.

---

8
at the property line of the premises or on any adjoining property. No operable windows or exhaust vents shall be located on the building façade that abuts a residential use or zone. Exhaust vents on rooftops shall direct exhaust away from residential uses or zones;

6. All signage shall meet the requirements of the Rapid City Sign Code. A sign permit shall be obtained for each sign. No Light Emitting Diode (LED) message centers are being approved as a part of this request. The inclusion or addition of any LED message centers shall require a Major Amendment to the Conditional Use Permit; and,

7. The Conditional Use Permit shall allow a medical cannabis dispensary at the location proposed. The medical cannabis dispensary shall be operated in compliance with the approved operational plan and in compliance with all City and State regulations. Any expansion of the medical cannabis establishment shall require a Major Amendment to the Conditional Use Permit. Permitted uses within the General Commercial District in compliance with the Parking Ordinance shall be allowed with a building permit. Any conditional use shall require the review and approval of a Major Amendment to the Conditional Use Permit.
Disclosure: The Development Review Team has created this list of Advisories as a courtesy for your specific application. **This is not a complete list.** All City, District, State, and Federal requirements must be continually met.

**ADVISORIES: Please read carefully!**

1. A building permit shall be obtained prior to any construction. A Certificate of Occupancy shall be obtained prior to use;
2. All requirements of the currently adopted Building Code, Mechanical and Electric Codes and the International Fire Code shall be met;
3. All requirements of the Rapid City Infrastructure Design Criteria Manual and Rapid City Standard Specifications shall be met;
4. ADA accessibility shall be maintained throughout the site as necessary;
5. All parking shall be installed and maintained in compliance with the requirements of the Rapid City Parking Ordinance; and,
6. All lighting shall be designed to preclude shining on adjacent properties and rights-of-ways, so as not to create a nuisance to neighboring properties and traffic.
