Re: Spring Brook Acres Water Main & PRV Abandonment
Project No. 21-2643/CIP No. 51262

Dear Mr. Tech,

The above-mentioned project was let on June 14, 2022 at 2:00 pm. The City did not receive any bids for the project.

Staff has reviewed the construction schedule requirements set forth in the construction documents and is proposing to revise the construction schedule requirements and re-bid the project late this summer. Revising the construction schedule will allow more time for potential Bidders to procure the materials necessary for construction.

Sincerely,

CITY OF RAPID CITY
