

16PD025

June 15, 2016

I am appealing the June 9, 2016 Planning Commission decision for the Final Planned Development # 16PD025 Buffalo Crossing, to allow construction of a convenience store with a car wash, specifically for the 45 foot tall outdoor pole sign.

A handwritten signature in black ink that reads "Karen Bulman". The signature is written in a cursive style with a large initial 'K'.

Karen Bulman
