Re: Displays and Events Policy/Displays and Art Policy

Motion: Move to approve updates to the Displays and Events Policy as presented.

Background: The Displays and Events Policy defines what displays and publications are permitted in the library.

The major change proposed will incorporate a section regarding the loan of artwork from the Sales, Solicitations, and Petitioning Policy into this policy. The other changes remove a reference to events and a position that no longer exists and renames the policy as the Displays and Art Policy.

All other changes are to clarify or simplify existing language.
