Re: Sales, Solicitations and Petitioning Policy

Motion: Move to eliminate the Sales, Solicitations and Petitioning Policy.

Background: The Sales, Solicitations and Petitioning Policy defines the expectations for sales, solicitation and petitioning on library property.

The information in this policy pertained to the expectations of conduct on library premises for sales, solicitation and petitioning. There was also a section related to artwork. These sections have been moved into the Rules of Conduct and the Displays and Events Policies, making the Sales, Solicitations and Petitioning Policy redundant.
