1. Operator agrees to comply with pertinent statutes, Executive Orders and such rules as are promulgated to ensure that no person shall on the grounds of race, creed, color, national origin, sex, age, or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance. If Operator transfers its obligation to another, the transferee is obligated in the same manner as Operator. This provision obligates Operator for the period during which the property is used or possessed by Operator and the Airport remains obligated to the FAA. This provision is in addition to that required by Title VI of the Civil Rights Act of 1964.

2. During the performance of this Agreement, Operator for itself, its assignees, and successors in interest, agrees to comply with the following non-discrimination statutes and authorities:

   A. Title VI of the Civil Rights Act of 1964 (42 USC § 2000d et seq., 78 stat. 252) (prohibits discrimination on the basis of race, color, national origin);

   B. 49 CFR part 21 (Non-discrimination in Federally-assisted programs of the Department of Transportation – Effectuation of Title VI of the Civil Rights Act of 1964);

   C. The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 USC § 4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);

   F. Airport and Airway Improvement Act of 1982 (49 USC § 471, Section 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);
G. The Civil Rights Restoration Act of 1987 (PL 100-209) (broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, the Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms “programs or activities” to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);

H. Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 USC §§ 12131 – 12189) as implemented by U.S. Department of Transportation regulations at 49 CFR parts 37 and 38;

I. The Federal Aviation Administration’s Nondiscrimination statute (49 USC § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);

J. Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures nondiscrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;

K. L. Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 USC 1681 et seq).

3. Operator, including personal representatives, successors in interest, and assigns, as
a part of the consideration hereof, does hereby covenant and agree, as a covenant running with the land, that (1) no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (2) that in the construction of any improvements on, over, or under such land, and the furnishing of services thereon, no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, (3) that Operator will use the premises in compliance with all other requirements imposed by or pursuant to the list of nondiscrimination acts and authorities, as enumerated in the preceding subsection. In the event of a breach of any of the above nondiscrimination covenants, the Board will have the right to terminate this Agreement and to enter or re-enter and repossess said land and the facilities thereon, and hold the same as if the Agreement had never been made or issued.

4. During the performance of this Agreement, Operator, for itself, its assignees, and successors in interest, agrees as follows:

   A. Nondiscrimination: Operator with regard to the work performed by it during the Agreement, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. Operator will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR part 21.

   B. Solicitations for Subcontracts, including Procurements of Materials and Equipment: In all solicitations, either by competitive bidding or negotiation made by Operator for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by Operator of contractor’s obligations under this Agreement and the Nondiscrimination Acts and Authorities.

   C. Information and Reports: Operator will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Board or the
FAA to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, Operator will so certify to the Board or the FAA, as appropriate, and will set forth what efforts it has made to obtain the information.

D. Sanctions for Noncompliance: In the event of Operator’s noncompliance with the non-discrimination provisions in this Agreement, the Board will impose such contract sanctions as it or the FAA may determine to be appropriate, including, but not limited to, cancelling, terminating, or suspending this Agreement, in whole or in part.

E. Incorporation of Provisions: Operator will include the provisions of this subsection in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations, and directives issued pursuant thereto. Operator will take action with respect to any subcontract or procurement as the Board or the FASA may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if Operator becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, Operator may request the Board to enter into any litigation to protect the interest of the Board. In addition, Operator may request the United States to enter into the litigation to protect the interest of the United States.
