Re: 2023 City Budget

**Motion:** Move to approve the 2023 city budget as revised.

**Background:** In April 2022, the Board originally approved the 2023 budgets which totaled \$3,731,678. Since then, the City Finance Office modified the city budget as noted below:

Interdepartmental Charges	\$2,399 decrease
(for computers managed by City IT department)	
Total change	\$2,399 decrease

This decreases the library's 2023 budgets to \$3,729,279. Because of the update to the city budget, Library Board approval is again needed. The library's three budgets, including this decrease, were [passed by the City Council](#).
