**Notice of Intent to Apply**

**Funding Opportunity EPA-I-OLEM-ORCR-23-03**

EPA Headquarters,

On behalf of the City of Rapid City Solid Waste Division, I submit this email as a notice of intent to participate in the SWIFR Grant Program for Political Subdivisions of States and Territories. We intend to ask for upwards of \$3,500,000 under Track 2.

We would like to use this grant money to start a project that will expand our recycling efforts into areas around our City that do not have access to recycling. We have a goal of reaching over 30 new sites while providing them the tools to help make an easy transition and help overcome some of these recycling challenges.

Thank you for all of your efforts.

Sincerely,
