### ***Delivery Timing***

---

8 – 10 weeks for delivery of materials to the job site from the time of order, submittal approval, and confirmation of order details including voltage, phase, and pole locations.

Due to the built-in custom light control per luminaire, pole locations need to be confirmed prior to production. Changes to pole locations after the product is sent to production could result in additional charges.

### ***Notes***

---

Quote is based on:

- Shipment of entire project together to one location.
- 480Volt, Single Phase electrical system requirement.
- Structural code and wind speed = 2018 IBC, 115 mi/h, Exposure C, Importance Factor 1.
- Owner is responsible for getting electrical power to the site, coordination with the utility, and any power company fees.
- Foundation design based on Geotech report
- Confirmation of pole locations prior to production.

Thank you for considering Musco for your lighting needs. Please contact me with any questions or if you need additional details.
