REQUEST FOR ADVERTISING AUTHORITY

This form must be completed and approved by the City Finance Office prior to presenting items to the City Council and/or Committees of the City Council. This covers all items which require formal bids, currently anything over $25,000 (except emergency and repair costs)

I. PROJECT NO.: 14-2127  
II. PROJECT NAME: Cobalt Drive Sanitary Sewer Bypass  
III. Project/Item(s) Description: This project is for the construction of a bypass sanitary sewer main between the intersection of Auburn Dr and Haines Ave and the western terminus of Cobalt Dr. The bypass will redirect a significant amount of flow that currently flows through the main on Viking Dr. The existing Viking Dr sewer is near capacity and will likely exceed sewer capacity in 1-2 years. Project costs are anticipated to be recouped through connection fees.

IV. BID LETTING DATE: August 30, 2016
