**OUR MISSION**

To provide an entertaining community-outreach event that embraces a safe, family atmosphere on behalf of Rapid City (and surrounding areas) as well as providing our church family with an opportunity to serve and give back to the community.

Dove has been very active in bringing the full gospel to this region for over 38 years. With many people finding Jesus and going from bondages to freedom our mark in this City is undeniable.
- Established in October 1973
- Current building completed in August 1999
- Heartbeat for the kingdom, church, families and community.
- Our desire is to live out Biblical truth while being a light to the world and fulfill the Great Commission.

---

**ABOUT JAMES**

James Carter has come into the sport of freestyle motocross as a virtual unknown, learning all the necessary tricks and establishing oneself as a main player can be a long road.

James enjoys riding in front of his hometown Rapid City and friends and family. Throughout the year his time is packed full of demos in the United States and rides a vast majority of the Nitro Circus Live tour shows around the world.

Enjoy the show and watch for James’ signature trick called the “Scorpion.”
