Date: October 16, 2023  
To: Rapid City Public Library Board  
From: Sean Minkel, Assistant Library Director  
Re: Policy Review – Computer Use and Displays and Art Policies

**Motion:** Move to approve changes to the Computer Use and Displays and Art Policies as presented.

**Background:** As part of the library's strategic plan, a staff committee was put together and has been reviewing library policies to ensure that inclusive language is used. The changes recommended to these policies do not alter their intent, but focus on the use of neutral, clear and consistent language.
