Public Works Committee/Common Council

RE: Request Authorization to Seek Proposals for Engineering Services for
Disk Dr and Haines Ave Intersection, Project No. 16-2347 / CIP 51121

Staff proposes complete a concrete panel replacement project, including reconstruction the water mains, abandoning sanitary sewer service lines, completing a traffic flow study and ADA compliance.

Staff proposes to hire a Consultant to be responsible for designing the project, bidding this project, and providing construction observation, administration and project closeout.

The project is funded from the Water, Sewer and Street funds. The project budget for the combined projects is \$400,000.00.

Staff proposes to bid and construct Project 16-2347 in 2018.
