Other Business

Update on Construction Projects

Remmich provided information on the current construction projects within the Rapid City area. Discussion ensued.

In response to a question from Boylan about a project listed in the 2017-2020 Transportation Improvement Program on Deerview Road, Harrington responded that a Meade County has listed a bridge to be replaced on the same road. Boylan added that it was his opinion that the bridge should be replaced before the road is resurfaced.

Kammerer stated that it was his opinion that the listed location of the Deerview Road bridge project is incorrect.

Update on Planning Projects

Harrington provided an update on the current planning projects within the Rapid City area.

Harrington informed the committee of an upcoming public meeting for the U.S. Route16/16B Interchange at the end of September or beginning of October. Harrington noted that options being considered are a Continuous Flow Intersection and Single Point Grade Separated Urban Interchange. Harrington noted that the committee would be notified of the exact date when it becomes available.

Boylan commended Harrington for his prompt response regarding questions he had on construction projects in the Piedmont area.

Kammerer inquired about potential construction projects on Elk Vale Road, north of the Flying J Truck Stop, with Harrington responding that he would check with the City of Rapid City Public Works Department. A brief discussion ensued.

In response to a comment from Fitting, Harrington confirmed that a stop light is being installed at the intersection of Sheridan Lake Road and Dunsmore Road. Harrington further explained that this project is a Pennington County project.

There being no further business the meeting adjourned at 7:58 a.m.
