C. Utility Rate Relief Program.

1. Residential utility account holders and users can apply for rate relief on monthly utility service charges under the Utility Rate Relief Program. The Utility Rate Relief Program shall be administered through the city Public Works Department. The Public Works Director shall have the authority to establish policies and procedures for administration of the program.

2. In order to qualify for the program an applicant must meet the following criteria:

a. Must either be 65 years of age or older or disabled as defined by the Social Security Act.

b. The premises must be occupied by the applicant as his or her primary residence.

c. The applicant must be the person who directly or indirectly pays the city utility service charges.

d. Income for all household members from all sources, including employment, social security, pension, and annuity payments must be at or below the “very low income” level for the Rapid City Metro Area as determined annually by the U.S. Department of Housing and Urban Development.

e. The applicant may own, rent, lease, or have a life estate in the premises. The dwelling unit may be a single-family dwelling, mobile home, or a unit in a duplex or multi-family complex that is served by 1 individually metered service line per unit. Individuals living in a multi-unit residence served by only 1 service line or meter are not eligible.

3. If an applicant qualifies for the program, their utility rates will be reduced by 25% until the renewal date established by the Public Works Director. The applicant must reapply at least every 2 years, or more frequently as the policies established by the Public Works Director may require.
