## 1. Call to Order

- a. Introductions
- b. Agenda Review and Approval
- c. General Public Comments
  1. The public screening of the new documentary on regenerative agriculture. "Common Ground" took place to a packed house last Saturday at the Dahl as advertised. Approximately 150 attendees enjoyed a short film about the Izaak Walton League, the documentary about regenerative agriculture, and a panel discussion. The prime sponsors were the Izaak Walton League and the Citizens Climate Lobby. The event was possible because of a coalition of organizations that have come together informally under the banner of The Black Hills Environmental Coalition. Organizations that tabled were the Citizens' Climate Lobby, the Norbeck Society, Rebel West, Gaia Services, The Sierra Club, the Izaak Walton League, the Sustainability Committee, Dakota Rural Action and the BH Environmental Coalition. Good information, good company, good conversation, good refreshments 😊
  2. Members of the Citizens' Climate Lobby recently attended their national convention and lobbying day in Washington DC where they learned the status of recent climate related legislation and met with the staffs of our SD congress members.
