Snowplow Sam 1-4

Snowplow Sam levels are for children ages 4 & 5. These classes are designed to develop the preliminary coordination and strength necessary to maneuver on the ice independently. Skills include proper falling and getting up techniques and balance, marching, and gliding maneuvers. Skills in Snowplow Sam classes are taught primarily through fun and games. Bike helmets and gloves are recommended. Classes are 30 minutes long.

Youth 1-4 Hockey

Our hockey curriculum is designed to teach the skater basic skills specifically geared to future hockey players. Proper beginning skating techniques are the primary focus. These classes are open to those 17 years of age and under. While full personal protective gear is not required, HECCA-approved hockey helmets, hockey sticks, and gloves are necessary. Power skate is now offered after completion of Hockey 4.

Basic Skills 1-6

There are 6 "Basic Skills" levels that help students master the fundamentals of the sport. Students must be six years old to participate. Basic 1, 2 & 3 are designed for learning balance, stroking, and edge control. Basic 4 & 5 focus on forward/ backward crossovers and three turns. Basic 6 teaches more advanced turns and edges. Students progress through these levels at different rates, and some levels may require repetition and extra practice time during Learn to Skate Drop-In sessions to master the necessary skills fully. Bike helmets and gloves are recommended. Levels may be combined based on enrollment.

ASPIRE 1-4

The U.S. Figure Skating Aspire program is the bridge between learning to skate group classes and membership in the U.S. Figure Skating program. Through the development of athleticism and artistry, skaters build a solid skill foundation that drives success on and off the ice. Aspire offers skaters an affordable, comprehensive package program in a safe and supportive group training environment. Skaters will learn proper skill development and training techniques while sampling different skating opportunities and fine-tuning their fundamental skating skills.

Specialty Classes

These classes vary by session and are open to skaters at listed skill levels above Basic 4. Call the rink at (605) 394-6161 for additional information.

Each student enrolled in a Learn to Skate session will receive *ONE* "Free pass" (per enrolled class) to receive admission into Public Skate or Learn to Skate USA to Practice during their session. This will provide them extra time to practice their newly emerging skills. This can ONLY be used for registered students and will expire at the end of the session. If parents, siblings, or friends accompany the child onto the ice, they must pay the regular skate admission for the session they are attending.

OUTDOOR ICE RINKS

Freezing cold temperatures are upon us. The Rapid City Parks Division is preparing our outdoor ice rinks for winter use!

Did you know Rapid City Parks and Recreation has two outdoor ice rinks? One is at Braeburn Dog Park, and the other is at Wilson Park.

If Wilson Park gets too crowded with skaters for a traditional game of stick and puck on the pond, Braeburn Dog Park has an ice rink equipped with a liner and boards. Share some joy on the ice!

The park rinks are free and open during regular park hours; 5:00 a.m. to 10:00 p.m. Skaters must bring their skates and anything else they might need, like a stick, puck, and hockey goals.
