AIA South Dakota - Design in the Hills Committee Member

Additional information/qualifications relevant for the committee or committees to which you are applying:
I am very interested in preservation of historic buildings and the manner in which communities grow with changing times and technologies while having consideration for the past. I believe historic buildings provide an opportunity to educate communities & enrich neighborhoods by creating connections between the past, present, and what is yet to come. I am also an optimistic supporter of the potential growth and development of the areas which connect downtown Rapid City to the SDSM&T campus.
