Section 2. Use for Parking. Fair shall use the Property only for the purpose of parking motor vehicles and livestock trailers during the Central States Fair and during other events authorized by Fair and held at the fairgrounds. The parties agree that parking of motor vehicles and livestock trailers on Tract 35 shall be on the paved portion only. Fair agrees to provide City with advance notice of events where it anticipates it will use the Property for parking. Such notice shall be given at least two weeks in advance of any scheduled event.

This Agreement does not grant Fair any other rights or privileges to occupy the Property for any other purpose or at any other time. However the parties may agree to allow Fair to use the Property for additional purposes in the future. If City consents to another use on the Property, Fair agrees to obtain all necessary permissions and permits to conduct the activity and to comply with all City ordinances and requirements for the Property and the use.

Section 3. Maintenance. Fair agrees to maintain the Property in a good condition and shall be responsible for all mowing and maintenance. Fair agrees not to construct any obstructions, either permanent or temporary, that would impair the flow of floodwaters across the Property, other than the parking allowed by this Agreement.

Section 4. No overnight camping. Fair shall not allow overnight camping on the Property. The parties recognize that the City’s floodplain ordinance strictly prohibits camping in the designated floodway. R.C.M.C. 17.28.070 Camping Prohibited.

Section 5. Bike Path. The Bike Path shall remain unobstructed and open to the public as a means of recreation and transportation for bicyclists and pedestrians at all times. If closure is required during the fair, adequate detours shall be marked and signed so as to accommodate access via sidewalks around the Fair and the Property typically serviced by the Bike Path and existing sidewalks.

Section 6. Term. This Agreement is for the purpose of providing parking during the Central States Fair and other activities sponsored by the Fair Board. This Agreement is for a period of one year and shall automatically renew, provided, however, either party can terminate the Agreement on thirty (30) days written notice.

This Agreement along with any attachments constitutes the entire agreement between the parties and supersedes all prior negotiations, agreements and understandings, whether oral or written. This Agreement supersedes any previously existing land use agreement between the parties, including those dated July 20, 1998 and February 7, 2000.

Section 7. Hold Harmless and Insurance. Fair shall hold the City harmless from any liability arising out of Fair’s use or occupancy of the Property by its employees, agents, guests,
permittees, or invitees, pursuant to this Agreement. Additionally, Fair shall obtain insurance in a minimum amount of One Million Dollars ($1,000,000.00) combined single limit for personal injury and/or property damage and shall cause the City to be named as an additional insured on all liability policies.
