While in college (2008 - 2013) I was actively involved in outreach groups to help seniors in high school understand what engineering is and how it can be a good fit for some students. I also volunteered at the local food pantry and various other opportunities that came along.

Since then I have had the chance to do outreach to students from 3rd - 8th grade and teach them STEM-based lesson plans in both Fargo, ND and Minot, ND.

I would like to serve in the indicated position(s) because:
I believe my technical expertise could be of service to the citizens of Rapid City. I bring to the table a variety of knowledge from varying topic areas.
