SUBJECT: Project List and Map  
Capital Improvement Plan

DATE: February 11, 2019

To assist you in responding to questions concerning the City of Rapid City's Capital Improvement Plan (CIP), enclosed please find a CIP project map and project list. The map and list contain all the City of Rapid City's CIP projects for 2019 through 2024 as of February, 2019. The map and list will be updated annually or as significant changes occur.

The Capital Improvement Plan (CIP) tables display: Project Name, CIP Project Number, Initial Year of Design or Construction and Estimated Project Cost. The estimated project cost includes design and construction estimates. Two tables are provided. The first table is sorted alphabetically by the Project Name and the second table is sorted numerically by the CIP Project Number. The CIP Map displays the approximate location of the projects and indicates the year construction is to begin. If you have specific questions about a project, detailed descriptions are available upon request.

If you have questions concerning these items, please contact Engineering at (605) 394-4154.
