

PROCEEDINGS OF THE CITY COUNCIL  
Rapid City, South Dakota

February 21, 2017

Pursuant to due call and notice thereof, a regular meeting of the City Council of the City of Rapid City was held at the City/School Administration Center in Rapid City, South Dakota on Tuesday, February 21, 2017 at 6:30 P.M.

The following members were present: Council President Brad Estes and the following Alderpersons: Darla Drew, Jason Salamun, Charity Doyle, Jerry Wright, Lisa Modrick, John Roberts, Amanda Scott and Steve Laurenti and the following Alderpersons arrived during the course of the meeting: NONE; and the following were absent: Mayor Steve Allender and Ritchie Nordstrom

Staff members present included: Deputy Finance Officer Tracy Davis, City Attorney Joel Landeen, Police Chief Karl Jegeris, Interim Fire Chief Rod Seals, Interim Public Works Director Dale Tech, Parks and Recreation Director Jeff Biegler, Community Resources Jeff Barbier, and Administrative Secretary Paula Arthur.

**ADOPTION OF AGENDA**

Motion was made by Wright, second by Doyle and carried to adopt the agenda.

**AWARDS AND RECOGNITIONS**

Veteran of the Month, Christian Messina, was unable to attend the council meeting tonight; therefore this recognition will be moved to the March 6<sup>th</sup> Council meeting.

**EXECUTIVE SESSION** Pursuant to SDCL 1-25-2(1) for the purpose of discussing the qualifications of a prospective public officer or employee. Motion was made by Doyle, second by Salamun and carried 9-0 to go into Executive Session at 6:32 p.m. Motion was made by Scott, second by Doyle and carried to come out of Executive Session at 6:47 p.m.

**STAFF DIRECTION** – Motion was made by Wright, second by Laurenti to (No. CC022117-04) authorize the Mayor to make offer of employment to prospective City Budget Analyst at an amount higher than Step 7. Motion carried 9-0.

**GENERAL PUBLIC COMMENT**

Megan Holman, a case manager, spoke about the low income housing project that will be starting at Dilger Avenue. She encouraged the council to keep in mind the income bracket of the low income population, particularly those who are disabled and receiving social security benefits, as they consider new housing developments in the coming months. The Section 8 vouchers only allow for a one bedroom apartment to have a maximum of \$635 a month rent. This will be important to keep in mind when determining the income bracket that these low income housing developments are for. Holman stated that her clients have an average income of \$1000 or less per month, so even \$600 a month in rent would be a significant hardship.

Vaughn Vargas, Coordinator for the Rapid City Police Department Community Advisory Committee, spoke on behalf of the committee and stated they are in support of the Department of Justice body-worn camera initiative (Item 23). He stated the committee has the spirit to enhance the working relationship between law enforcement and the community at large. The committee would like to support this initiative and the police department's ability to apply for the grant. The CAC have had thorough discussions on policies pertaining to body-worn cameras and they recognize the benefit of body-worn cameras for evidentiary purposes. Vargas stated they have seen a large number of domestic violence incidents being called forward, but there is very minimal prosecution. They feel that body worn cameras can significantly

increase the ability to prosecute perpetrators and they also recognize the use of the cameras for accountability purposes. The CAC would like to stand by Chief Jegeris' decision to apply for this grant.

Vince Vidal spoke on Item 23. Vidal stated that last week he was on jury duty. In that trial, there were three police officers and one paramedic that gave testimony. Vidal stated that because of the testimony the jury found someone guilty of simple assault/domestic abuse. He stated that it was the professionalism of those police officers that brought them together in that jury room. He feels that the police department needs the body cameras and he urges the council to approve it.

Rex Conrad spoke on Item 22. Conrad questioned if the city's projected income is below what we anticipated so far this year, how the city can even consider increasing these salary ranges. He stated that the city is functioning now and he questions if these positions are really even needed. Conrad also wonders why we are trying to hire from outside of Rapid City versus inside our own area.

- 33. No. LF021517-01 – Approve Resolution No. 2017-011 a Resolution Amending Certain Fees to be Charged in 2017 for Various Licenses, Permits and Applications.

RESOLUTION NO. 2017-011

A RESOLUTION AMENDING CERTAIN FEES TO BE CHARGED IN 2017 FOR VARIOUS LICENSES,  
 PERMITS AND APPLICATIONS.

WHEREAS, the City charges fees for various licenses, permits and applications to cover its administrative costs; and

WHEREAS, in the past the City has generally adopted fees for licenses, permits and applications by ordinance; and

WHEREAS, on May 18, 2015, the Common Council adopted Resolution No. 2015-50 setting forth a fee schedule intended to replicate and supplement the fees discussed in the ordinances; and

WHEREAS, Resolution No. 2015-50 consolidates the information on fees charged by the City in one location, to make it easier to track and change the fees when they become insufficient to cover the City's administrative costs; and

WHEREAS, on December 7, 2015 the Common Council adopted Resolution No. 2015-116 Adopting a City Fee Policy to be Used for Amending and Adding Fees in the City Fee Resolution; and

WHEREAS, on December 5, 2016 the Common Council adopted Resolution No. 2016-092 Amending Certain Fees to be Charged in 2017 for Various Licenses, Permits and Applications; and

WHEREAS, the Policy states that city management should conduct fee reviews on a periodic basis; and

WHEREAS, fees of various departments have been determined to need updating to better reflect the cost to the City for the services in 2017; and

WHEREAS, the remainder of the fees remain the same; and

WHEREAS, the City Council finds it to be in the best interests of the City and its citizens to adopt an updated comprehensive fee resolution.

**END OF CONSENT ITEMS**

Doyle read in item (No. PW021417-04) Authorize Mayor and Finance Officer to Sign Agreement Between the City of Rapid City and the South Dakota Department of Transportation for Improvements to 6th Street At Grade Railroad Crossing. Drew addressed both agenda items that deal with the railroad crossing improvements. She stated that she is stopped by people in the community regarding their concerns of our railroad crossings and how these crossings are ruining their vehicles and tires. Drew stated that this issue has to be approached and it needs to be in an agreement between the City of Rapid City and the South Dakota Department of Transportation. Railroad repair is very complex. She stated it will take a long time, but it will happen and the city will get them fixed. Motion was made by Doyle, second by Laurenti to approve. Motion carried 9-0.

Doyle read in item (No. PW021417-05) Authorize Mayor and Finance Officer to Sign Agreement Between the City of Rapid City and the South Dakota Department of Transportation for Improvements to West Boulevard At Grade Railroad Crossing. Motion was made by Doyle, second by Wright to approve. Motion carried 9-0.

Roberts read in item (No. LF021517-02) Authorize Mayor to Increase the Starting Salary Range for the Public Works Director and the Community Planning Director Position Vacancies. Wright discussed that when the city hires staff they follow the requirements by law. The city does not control who they hire by choice or geography. The city tries to hire the most qualified individual who applies for the job and meets the expectations of that job. It is a very competitive world out there and the people doing these jobs expect and do get very good salaries. Wright stated that the city is an open door; public, legal hiring agency. Scott thanked Tech. She stated Tech is filling in for both of these positions currently, while doing his full-time job, and he has been doing this over a year as the city has been trying to find candidates to fill these two positions. Scott feels that we need both of these department director positions filled. Roberts stated that the only issue he has with this right now is the timing on this. He stated for the last half of 2016, we have been down five of the six months on sales tax. Roberts does not think that right now is the appropriate time to be adding salaries and especially adding to the starting wages of these positions. Roberts stated that he can't vote for either one of these tonight because he thinks the timing is just off on it and until we know what next year is going to bring on sales tax, he thinks we are putting the

horse in front of the cart. Modrick discussed where the city is at with revenue sources. She stated that economic indicators are derived from many different reasons and sources. Some years are higher than others, sometimes they average and sometimes they drop. There are a lot of things that create either a slower economic driver or something that speeds it up. Modrick stated that there is a balance that happens as well when you look over a course of many years and average them out. She feels Item 22 has nothing to do with the city's sales tax performance, but it has everything to do with what we need as the City of Rapid City in order to run this city, which is one of the biggest businesses that the city has. Modrick stated that these positions require experience and a tremendous amount of education. She feels these are two key, top-dog jobs that we have in our city and it is important that we find qualified people. Modrick can support this. Wright stated that the Public Works Department is responsible to manage millions of dollars of assets and the Planning Department is in a similar situation. He stated it would be foolish not to fill these positions simply because we are down a little bit in sales tax. Wright stated that we must proceed in filling these positions and get Tech some relief. Wright supports this. Laurenti stated that he would support a continuation on this item in order to get more information to make sure the council makes the right decision. In response to a question from Laurenti, Landeen stated that he has been sitting in and participating in the interview process. Landeen has seen the candidates that have come in and they are good people, but most are coming from situations where they haven't supervised departments this size. Landeen can't say that the salaries offered are way out of line, but the market is clearly telling us that what the city is offering isn't attracting what we want. The interview panel had this discussion and the one thing the city can do differently to try to affect a change is the salary. The salary was the most obvious way to change the offer to make it more attractive and try to get a more attractive candidate to apply for the job. Landeen stated that when looking at comparable communities, a lot of them would be similar in price, although Rapid City is probably larger than a lot of them. Landeen stated that if you want to compare to Sioux Falls, although they are larger than Rapid City, their salaries are \$30,000 more than ours. Laurenti stated that Sioux Falls is twice as large, not that you would base the salary on that. Laurenti asked why not broaden the range rather than increase the base of the salary. Landeen stated that there is something psychological about a starting salary over a \$100,000 when people look at it, but the idea is to increase the range to the point that it attracts people that haven't been applying otherwise. Salamun stated that what we are experiencing at the city level is something that businesses experience in our region all the time. That is, not enough qualified talent for some of these kinds of positions, so it is really difficult to recruit for certain kinds of positions. The city wants the best talent possible for our city positions, especially director positions of public works and planning. Those positions are critical and Salamun does not want to settle. Rapid City deserves the best people possible working for our city. Salamun stated you get what you pay for. These director level positions are part of our economic development. This is an investment and Salamun is in support of it. Scott stated that this is not a knee-jerk reaction; the city has already cast out twice and has had two rounds of trying to fill these positions. This was not an overnight decision to increase the wages. She stated it has been difficult to get the talent to continue to carry the weight of the organized, strategic and steady growth that the city currently has. Scott feels that the departments are kind of holding on some items as they are waiting to see what direction the new directors would want to take. Motion was made by Wright, second by Drew to approve. Motion carried 8-1 with Roberts voting no.

Roberts read in item (No. LF021517-06) Authorize Staff to Apply for and Accept if Awarded the 2017 Department of Justice Body-Worn Camera Implementation Grant. In response to a question from Salamun, Jegeris stated that the intention is to have an outside server for storage of these videos, which will be part of the contract with the technology provider. He stated that the retention will be part of the policy development, but there will have to be a retention period because the external storage reaches beyond capacity very quickly. A standard mark is thirty days to hold everything and then if an arrest is made or other criteria are met, than those particular records are held until the end of the prosecution is completed. Everything will be stored for a reasonable period of time. In a response to another question from Salamun, Jegeris stated that they will be getting technical assistance from the Department of Justice for the security of off-site storage and the criteria will be included in the RFP when the department seeks a vendor. In a response to a question from Drew, Jegeris stated that the total

estimated cost for the entire project is \$800,000 for a two year period of service. He anticipates that the Department of Justice will pay up to fifty percent (\$400,000) and then there would be an agreement between the city and the county to split the remaining cost, if awarded the grant. This is very similar to how the department acquired their in-car camera systems to be more efficient in their costs. In response to another question from Drew, Jegeris stated that the contract is shared and the body cameras will be split between the city and the county departments. In response to a question from Laurenti, Jegeris stated that the preliminary estimate for the annual cost for maintenance of these cameras, after the grant, would be \$80,000 for a period of several years. Motion was made by Roberts, second by Modrick to approve. Motion carried 9-0.

Roberts read in item (No. LF021517-08) Acknowledge December 2016 Sales Tax Report. Roberts pulled this item to let the citizens know that the sales tax revenue was down. He explained that the budget is typically based on two percent yearly and the sales tax in 2016 came in at 0.61 percent. Roberts stated that if you look at the trends over the last 4 years or so, there were very few months that have ever been down and surely not five out of six months. He stated that there are a lot of factors in the economy in South Dakota that are driving this and he is just hoping that the sales tax revenue starts coming back up this year. Drew reminded the council that Amazon and other online services are making headway in charging sales tax. She thinks we might see a change in our income with these changing demographics of sales tax by online services. Motion was made by Roberts, second by Salamun to approve. Motion carried 9-0.

Scott read in item (No. 17AN001) Deny a request by Sylvia Conrad for Resolution No. 2017-008 - Resolution for De-Annexation for property generally described as being located in the southwest of the current terminus of Sedivy Lane. Motion was made by Scott, second by Laurenti to continue to the April 17<sup>th</sup> City Council Meeting per the applicants request. Motion carried 9-0.

Scott read in item (No. 17AN002) Approve a request by KTM Design Solutions Inc for BH Capital, LLC for Resolution No. 2017-009 - Petition of Annexation for property generally described as being located in the southeast quadrant of E. St. Patrick Street and South Valley Drive intersection. Motion was made by Scott, second by Wright to continue to the March 6<sup>th</sup> City Council Meeting per the applicants request. Motion carried 9-0.
