Subject: Highpointe Ranch Exceptions

Hi Kyle,

See attached exceptions. Please note I am sending these to you before they have been through our admin staff, as I knew you were anxious for the responses. The final response will come from the admin staff later this week.

The request for the section line on the south is approved.

The request for the section line on the east is denied. The denial of this exception request may be appealed to the City Council by requesting it be placed on the next Public Works Committee agenda. If you would like to appeal this to the March 14 Public Works Meeting, please let me know by tomorrow at 12:00 PM. Otherwise, any future appeals would be placed on the next available agenda.

Thanks,

Nicole Lecy, PE
