

Rapid City Police Department
Memo

TO: Legal and Finance Committee

FROM: Lt. Mark Eisenbraun

DATE: March 21st, 2017

SUBJECT: Police Department Vehicle Purchases for 2017

For 2017, the Police Department is seeking City Council approval to purchase the following vehicles to replace aging vehicles in our fleet. This is part of a routine replacement plan to ensure our fleet is safely maintained. I have identified suitable replacements and they are listed below.

- (3) Dodge Durangos
- (5) Dodge Chargers
- (2) Ram Pickups

The total cost of these purchases is \$285,202, and falls within our previously approved budget.

Liberty Dodge in Rapid City will be our vendor as they have met 2017 state bid prices on all of these vehicles. The state bid contracts as well as the vehicle purchase documents are attached.
