Re: Landscaping Recommendation

Motion: Move to approve staff's recommendation for landscaping at an approximate cost of under \$5,000.

Update: An updated quote has been provided by the landscaper to include a detailed drawing of what will take place in front of the downtown library.

Background: To minimize the incidents of damage from rocks near the front entrance of the downtown library, landscaping will be utilized by removal of rocks near the front statue, to the west of the main entrance. A portion east of the main entrance will be addressed as well. In place of rocks, mulch will be put in along with shrubbery, in both areas.
