Pursuant to Section 17.52.030.E of the Rapid City Municipal Code the Planning Commission shall consider the following criteria in a request for a Conditional Use Permit:	
	Findings
1. The location, character, and natural features of the property;	The property is comprised of 0.26 acres located in a densely developed, commercially zoned neighborhood. The property is level.
2. The location, character, and design of adjacent buildings;	Property in all directions is densely developed with a variety of commercial, retail, and services.
3. Proposed fencing, screening, and landscaping;	No additional or altered fencing, screening, and landscaping is proposed.
4. Proposed vegetations, topography, and natural drainage;	No additional vegetation or alteration of topography or natural drainage is proposed.
5. Proposed pedestrian and vehicular access, circulation and parking, including that related to bicycles and other unpowered vehicles and provisions for handicapped persons;	Off-street parking is not required within the Central Business District. On-street parking is located adjacent to the building. Minimum 10 foot wide sidewalks about the property along 7 th Street.
6. Existing traffic and traffic to be generated by the proposed use;	Transportation Planning staff has noted that the proposed on-sale liquor establishment does not impact the existing transportation network in the area.
7. Proposed signs and lighting;	No changes to the existing lighting is being proposed as a

	part of this request. All signage will be provided in compliance with Chapter 17.50.080 of the Rapid City Municipal Code.
8. The availability of public utilities and services;	The site is serviced by Rapid City water and sewer. Public Works staff has not noted any utility capacity issues for the proposed on-sale liquor use.
9. The objectives of the adopted comprehensive plan and the purpose of the ordinance codified herein;	The Rapid City Comprehensive Plan notes that the property is designated for downtown development and is located within a Regional Activity Center and in proximity to revitalization corridors located on Main Street and Saint Joseph Street. The downtown and Regional Activity Centers are seen as appropriate for activity-generating, pedestrian-oriented uses including on-sale liquor establishments. The proposed on-sale liquor establishment is in compliance with the adopted Comprehensive Plan and the purpose of the Ordinance.
10. The overall density, yard, height, and other requirements of the zone in which it is located;	The existing structure on the site meets all requirements with regard to setbacks, building height, lot coverage, parking, and landscaping.
11. The effects of noise, odor, smoke, dust, air, and water pollution and the degree of control through the use of clarifiers, screening, setbacks, and orientation;	The requested on-sale liquor establishment will operate as an accessory use to a full service restaurant. The use will not generate significant noise, odor, dust, air pollution, or water pollution. This Conditional Use Permit will serve as the tool to ensure that future potential impacts of this use are mitigated to the greatest extent possible.
12. The degree to which conditions imposed will mitigate any probable adverse impacts of the proposed use on existing adjacent uses.	The Planning Commission has previously determined that the Central Business District is the appropriate location for on-sale liquor establishments. The Conditional Use Permit will serve as the tool to ensure that potential impacts associated with this on-sale liquor establishment are adequately addressed.
Pursuant to Section 17.50.185 of the Rapid City Municipal Code the Planning Commission shall consider the following criteria in a request for an on-sale liquor establishment:

As previously noted, the Central Business District is comprised of a wide variety of uses. The Planning Commission has determined in the past that the Central Business District is the appropriate location for on-sale liquor establishments, especially when operated in conjunction with another primary use.
2. The requested use is sufficiently buffered with regard to residential areas so as not to adversely affect the areas:	There are no residentially zoned properties located within 500 feet of the subject property. It should be noted that the Central Business District does allow residential uses to be located above the ground floor. However, the Planning Commission has determined in the past that the Central Business District is the appropriate location for on-sale liquor establishments, especially when operated in conjunction with another primary use. The requested use is sufficiently buffered with regard to residentially zoned areas.
