OUR Legal description and address: NORTH 80 SUBD Lot A of Lot 5 Pennington County, South Dakota
OUR address 449 E. Stumer Road Rapid City

Comment regarding Pet store application

There is no mention of the exterior finish of the storage area and it is shown as separate area from the retail building. The exterior finish should match the finish of the main building to provide a more uniform appearance for the building.

We welcome the use to the neighborhood. We just want the best possible presentation for the building to compliment our investment and the investments that others have made.
