She is asking the Committee to consider allocating these funds again in the 2018 budget. Scott stated the 2018 Budget Hearing will be held on Monday, August 7 at 5:30 p.m.

MAYOR’S OFFICE

2) LF080217-04 – Scott asked City Attorney Joel Landeen if Passages is ready to build on this property once it is donated. Landeen was unaware if they are ready or not. Don Van Etten, Chairman of Passages Women’s Transitional Living, Inc. stated they have not started fundraising at this time. They were waiting for the finalization of the land before doing so. Van Etten further explained they have a preliminary agreement with Habitat for Humanity to help them build. Jim Scull has agreed to be their general contractor and to sign off on donations of either money or services from other contractors. One of the options discussed with Habitat for Humanity was that they would build the facility, which means they would own it but then lease the facility back to Passages for five years to allow time to fundraise money. Scott asked if the donation of this land could include a reversionary clause to make sure the land is used for the purpose it is donated for. Nordstrom moved to Approve Resolution No. 2017-067 a Resolution to Donate Surplus Real Property to Passages Women’s Transitional Living, Inc. with the addition of a reversionary clause.
