Bidding date on streets around civic center set

By ROB FELL
JUL 1 1975

Members of the Rapid City council's public works committee are informal agreement to hold a bidding date for the construction of 11th and 13th streets around the civic center site. The streets are scheduled for completion by February 1976.

One of the reasons for bidding the project out is the saving of money. The city plans to use the state primary systems funding program, Calyon Lake Drive, to finance the project. The state has approved grants of $320,000 for construction of the city's primary system.

In another type of construction, the city is planning to use the funding program for the construction of the new city hall. The city has applied for a grant of $750,000 to finance the construction of the new city hall.

Another reason for bidding the project out is the saving of time. The city plans to use the funding program for the construction of the new city hall and the new city court.

The city plans to use the funding program for the construction of the new city hall and the new city court. The city plans to use the funding program for the construction of the new city hall and the new city court.
