Public Comment closed

ITEMS FROM THE PUBLIC
14) LF091317-08 – Greg Riley requested a refund of an abatement fee because he feels the mowing was premature and unnecessary. Riley provided a history of this issue. Ten years ago he received approval from the City to do zero-scaping or natural landscaping. Last year was the first year he received a code violation, he worked through that violation with Code Enforcement and they discussed the possibility of an ordinance change. He then received another code violation this year. After that was received he asked for a formal variance to allow for natural landscaping. He volunteered his property as a test site. Before he received a response on his request for variance, his property was trespassed upon and poisoned. Scott’s understanding is that the administrative fee and late fee has already been waived and that the remaining balance of $140 is for the actual mowing costs. Scott asked Assistant City Attorney Kinsley Groote if proper notice was given throughout and Groote confirmed it was. Laurenti moved to deny Greg Riley – Request for Refund of Abatement Fee in the Amount of $140.00 for Property Located at 4789 Summer Set Drive. Second by Lewis for discussion. Motion carried 5-0.
ALDERMAN ITEMS AND COMMITTEE REPORTS

16) LF091317-14 – Laurenti hopes his colleagues will see through to support an initiative by our citizens to bring something forward on this property tax increase. Whether you voted for it or against it, we should all support citizens wanting to petition their government to bring something to the ballot so they can have a voice in it because that is truly what government is all about. Lewis moved to send Steve Laurenti – Resolution of Support for an Initiated Measure to put the CPI Property Tax Increase on the Ballot for Rapid City Voters to Council without Recommendation. Second by Armstrong. Motion carried.

FINANCE DEPARTMENT
17) LF083017-07 – Scott confirmed with Finance Officer Pauline Sumption that there have been no changes to this ordinance since first reading. Laurenti moved to approve Second Reading and Recommendation of Ordinance No. 6189 Regarding Supplemental Appropriation #3 for 2017. Second by Lewis. Motion carried.

CITY ATTORNEY’S OFFICE

19) LF083017-09 – Lewis stated he has not changed his mind on this one, he feels it is imperative to keep the Vision Fund protected. He hopes to change a few minds before Monday night. City Attorney Joel Landeen wanted to point out that the approved budget is based on this so if you do not approve this ordinance, you have blown a hole in your budget and you will have to revisit the budget and make significant cuts or find additional revenue. Lewis reiterated that he has been against this since the beginning. He has heard from citizens who does not want the Vision Funds cut and he is voicing his personal opinion that he is against it. Scott explained this ordinance change is the reallocation that will put a full penny of the two cent sales tax into the General Fund and redistribute the Vision Funds and the CIP amounts for our capital improvement. Laurenti moved to approve Second Reading and Recommendation of Ordinance No. 6195 an Ordinance to Change the Allocation of the Revenue Raised by the Retail Occupational Sales and Service Tax by Amending Section 3.16.060 and Section 3.16.090 of the Rapid City Municipal Code. Second by Armstrong. A vote was taken with Scott, Laurenti, Armstrong and Drury voting “yes” and Lewis voting “no”. Motion carried 4-1.

ADJOURN
There being no further business to come before the Council at this time, motion was made by Laurenti, second by Drury and carried to adjourn the meeting at 12:48 p.m.
