Spirit of ’76 panel to discuss city civic center

S. A. I.

A full-scale civic center will be proposed by the Spirit of ’76 panel. The meeting is scheduled for April 22 at 7:30 p.m. at the Rapid City Civic Center.

Details of the program were worked out at a meeting Tuesday afternoon, March 24, with chairman Larry Olsen, Mayor Don Barnett, and assistant mayor on the Mayor’s Civic Center Committee.

Mayor Barnett pointed out that the Spirit of ’76 committee is a part of the Rapid City Civic Center Committee and membership in both groups is open to any interested citizens. The committee will prepare a report on the progress of the project.

Meyer Barnett will discuss civic center issues at large, and the city’s civic center will be a focal point for the discussion.

A good start has been made towards the preparation of the city’s sales tax ordinance. The committee has met several times and has made progress in the preparation of the ordinance. A meeting was held last week to discuss the future plans for the city’s civic center.

The committee is mainly concerned with the preparation of the city’s sales tax ordinance, which is due to go to the city council for approval on Apr. 11. The ordinance will provide for the city to borrow money to finance the construction of the civic center.

The committee is composed of representatives from the city council, the chamber of commerce, the local banks, and other interested citizens. The committee has been working on the ordinance for several months and has made good progress.

The ordinance will provide for the city to borrow money to finance the construction of the civic center. The amount of money to be borrowed will be determined by the city council, and the city will be responsible for repaying the loan.
