Subject: Resignation from the Airport Board.

Mr. President and fellow Airport board members:

Effective today, I accepted a position in Pueblo, Colorado as VP operations for our Colorado Electric Operations within the Black Hills Corporation family. Because of this move, I can no longer be part of this great board.

The Airport continues to be an important component for Black Hills Corporation's continued growth trajectory. We remain committed to expanded and reasonably priced air service that will drive future economic growth.

I want to thank you for the opportunity to be part of a great cause. I have enjoyed working with each of you and I hope we cross paths in the future!

Sincerely,

Vance A. Crocker, P.E. | Black Hills Energy | Vice President – Electric Operations | Office:
