<b>Planning Commission Criteria and Findings for Approval or Denial</b>	
<b>Pursuant to Section 17.54.040.D of the Rapid City Municipal Code the Planning Commission shall consider the following criteria for a request to Rezone:</b>	
<b>Criteria</b>	<b>Findings</b>
1. The proposed amendments shall be necessary because of substantially changed or changing conditions of the area and districts affected, or in the city generally.	The applicant has also submitted a Preliminary Subdivision Plan (File #17PL102) to create proposed Lots 2A and 2R of Fountain Springs Square Subdivision. The requested Rezoning and the associated Rezoning (File #17RZ032) will be included in proposed Lot 2A.
2. The proposed amendments shall be consistent with the intent and purposes of this title.	The future land use designation of the property is Light Industrial. However, the adjacent property to the south and two properties to the west are currently zoned General Commercial District. Though the proposed Rezoning request does not comply with the future land use designation; the proposed Rezoning does fit with the existing zoning in the area. In addition, the Comprehensive Plan allows flexibility when the proposed zoning maintains the character of the neighborhood.
3. The proposed amendment shall not adversely affect any other part of the city, nor shall any direct or indirect adverse effects result from the amendment.	The property is located in the Deadwood Avenue Neighborhood Area which promotes mixed-use development and encourages the expansion of employment uses in the area. The subject property abuts an existing commercial node which extends north of the intersection of Fountain Plaza Drive and South Plaza Drive.
4. The proposed amendments shall be consistent with and not in conflict with the development plan	The Future Land Use Designation of the property is Light Industrial. The General Commercial District is not identified as a use in the Light Industrial Designation. However, as

of Rapid City including any of its elements, major road plan, land use plan, community facilities plan and others.	noted above, the property abuts a commercial node which extends north from the intersection of Fountain Plaza Drive and South Plaza Drive. The Deadwood Avenue Neighborhood Area supports mixed-use commercial development and the growth of employment areas.
