SPECIAL BID CONDITIONS
AND
EXPLANATION OF BID SCHEDULES

1. All work relating to pump station installation shall be complete by December 31, 2017 after winterization. Start up will be scheduled no later than April 15, 2018. Liquidated damages, as specified in the Rapid City Standard Specifications, will be charged for failure to complete the project on or before the completion date.

2. Bids shall include sales tax and all other applicable taxes and fees.

3. In the case of an error in extension of a unit price to an item total, the unit price shall govern, and the corrected item total used in evaluating bids. In case of an error in summation of bid item totals for a total bid, the corrected summation will govern over the incorrect bid total shown.

4. Weather days shall not be considered for completion date extensions.

5. The Contractor shall bid the Base Bid.

6. Bid award will be made to the lowest responsive and responsible bidder.

7. The lump sum price for each Bid Item includes all costs associated with Vertical Turbine Variable Speed Drive Pumping Station System.

8. A final construction timeline shall be coordinated with Parks and Recreation to not interfere with normal facility usage. Work cannot begin without authorization from the Project Manager.
