MEMORANDUM

TO: Metropolitan Planning Organization Committees

FROM: Kip Harrington, Planner III

DATE: November 29, 2017

Attached for your review and approval is the Draft Report for the Rapid City Transit Feasibility Study. This Study examines the feasibility of providing regional transit service throughout the Metropolitan Planning Area, including peer review of comparable transit providers, types of proposed service, projected ridership, financial considerations, and recommendations for implementation.

The Study was conducted with input from governmental agencies, the Study Advisory team, community transit providers, interested stakeholders, and members of the public.

STAFF RECOMMENDATION: Staff recommends approval of the Transit Feasibility Study – Draft Report.
