Doug Lowe,
Recreation Manager
(605) 394-4168

In October of 2017, staff from the Rapid City Parks Division conducted the annual deer trend survey in Rapid City. The information gathered during the survey was presented to the SD Game, Fish & Parks Office.

Based on the information gathered during the Survey, the Game, Fish & Parks Department has recommended that 150 deer be harvested in 2017/2018. The Urban Wildlife Committee reviewed with the recommendation and concurred.

At this time the Department of Parks and Recreation requests that the City Council authorize the harvesting of 150 deer for the 2017/2018 season.
