

To City Council,

12-28-17

My name is James Howell. I applied for a renewal of my Security License and I would like the opportunity to appeal the Chief of Police recommendation for denial of my License. I made an irresponsible decision in August of 2017 and was arrested for possession of a controlled substance which was hashish. The reason I would like to appeal his decision is because I am the main financial provider for my fiance and three soon to be four children. Without the current employment that I have we will all be homeless. I take full responsibility for my actions and understand that what I did was wrong. I would appreciate the opportunity to speak with all of you about this situation. I greatly appreciate your time and consideration in this matter.

Thank You,  
James D. Howell
