MAYOR'S ITEMS
2) LF011018-01 – Salamun expressed his support of this resolution. He feels it is a good way to get the State’s attention West River needs for mental healthcare. The fact that we send inmates 350 miles on a bus to received mental health treatment is not a good service to those individuals. We can spend money on prisons but we can invest money in mental healthcare. Rapid City is doing everything we can to help, last year we invested Vision Funds into a mental healthcare pod through Community Health, recently our police officers received a quality of life grant in order to help people who are vulnerable, and we have invested in the restoration center with the County in order to provide crisis care to those in need. In our culture, mental healthcare is lacking and in our area we have to travel 5 hours to receive care. He encourages our State, West River specifically, and help us provide mental healthcare to those who need it. If we think it is expensive to serve mental health individuals it is really expensive to incarcerate them and he feels that is the distinction we need to make. Laurenti agrees with Alderman Salamun. The most important part of this resolution is we need new facilities here because the patient’s support systems are here. If the patient is 5 hours away, it makes it very difficult for the support system to participate. Laurenti we need to push our State and Federal legislators to get a support facility on the western side of South Dakota. Salamun moved to approve Resolution No. 2018-001 a Resolution to Support Additional Mental Health Services in Western South Dakota. Second by Drury. Motion carried.

FINANCE DEPARTMENT

14) LF011018-07 – Laurenti moved to approve Introduction and First Reading of Ordinance No. 6221 Regarding Supplemental Appropriation #1 for 2018. Second by Nordstrom. Motion carried.

CITY ATTORNEY’S OFFICE

15) LF121317-07 – Salamun asked Assistant Chief of Police Don Hedrick to clarify the changes. Assistant Chief Hedrick explained that originally we thought to remove the word “merchant” from the ordinance. However some concerns were brought forward about how that should remain and we agreed to leave “merchant” in the ordinance. The other concern was the timeframe for compliance to get the word “security” on their vehicles. Since the last meeting, we have worked with some of the security companies and we believe we have a plan in place to give the companies the time they need to complete the change. Nordstrom addressed the comment in the newspaper stating he was giving a particular vendor special treatment. He stated that was not his intent, he simply intended to give them the opportunity to have enough time to have the word security placed on their vehicles. Salamun moved to approve Second Reading and Recommendation of Ordinance No. 6216 an Ordinance Amending Section 5.52.130 of the Rapid City Municipal Code Relating to Merchant Security Vehicle Identification (Continued from the December 27, 2017, Legal and Finance Committee Meeting). Second by Drury. Motion carried.
