Re: Consolidation of Fugro Operating Companies

Dear Ms. Horton:

Fugro, is streamlining its corporate structure to more effectively meet the needs of our clients. As a result, effective January 1, 2018 Fugro Geospatial, Inc. will consolidate into its sister operating company, Fugro USA Land, Inc.

The impact that this internal reorganization will have on Fugro's operations should be seamless. Specifically, with regard to Fugro's work for the City of Rapid City and the RCMPO, as Fugro Geospatial, Inc. is a party to our pending contract for Digital Development Base Map Services dated [To Be Determined], your consent to Fugro Geospatial, Inc. assigning its interest in the contract to Fugro USA Land, Inc. is required. The form for your consent to an assignment of the contract is included with this letter for your review and signature.

We at Fugro greatly value our relationship with Rapid City and the RCMPO and look forward to continue working with you in the future.

Please contact me if you have any questions.

Sincerely,
FUGRO GEOSPATIAL, INC.
