Re: Contract termination

Motion: Terminate the contract with S&T Security Services effective March 12, 2018.

Background: Per item 10 of the contract signed in April 2017, a 30 day notification is required to terminate the security contract. The termination would therefore take effect on March 12, 2018.

If mutually agreed by both parties, the contract may be extended for one month beyond that date.
