Pursuant to due call and notice thereof, a regular meeting of the City Council of the City of Rapid City was held at the City/School Administration Center in Rapid City, South Dakota on Monday, February 5, 2018 at 6:30 P.M.

The following members were present: Mayor Steve Allender and the following Alderpersons: Amanda Scott, Darla Drew, Ritchie Nordstrom, Lisa Modrick, Jason Salamun, Chad Lewis, Laura Armstrong, Steve Laurenti, Becky Drury and John Roberts, the following Alderpersons arrived during the course of the meeting: NONE and the following were absent: NONE

Staff members present included: Finance Officer Pauline Sumption, City Attorney Joel Landeen, Public Works Director Dale Tech, Police Chief Karl Jegeris, Fire Chief Rod Seals, Community Development Director Ken Young, Parks and Recreation Director Jeffrey Biegler, Budget Analyst Sean Kurbanov, Administrative Secretary Angie Boeve and Administrative Coordinator Heidi Weaver-Norris

ADOPTION OF AGENDA
Motion was made by Salamun, second by Drew and carried to adopt the agenda.

PRESENTATION
Sean Kurbanov, Budget Analyst, presented the council with the Citizen Budget Priority Survey results. He said the survey started in November 2017. There were a total of 1,665 valid responses received. He stated there were relatively equal responses from all age groups, income levels, online vs mailed surveys and all five wards were represented equally. He said the most important strategic goal for Rapid City citizens was a safe, healthy and skilled community. The most important issues to improve livability in the city include housing, safety, and infrastructure. Almost 80% rate Rapid City as a good or excellent place to live. The full report is available on the city website, www.rcgov.org. Motion was made by Lewis, second by Salamun and carried to Acknowledge the report.

NON-PUBLIC HEARING ITEMS -- Items 2 – 77
Daene Boosma spoke on Item 35. He said he has no financial interest in the request. He has an interest in the direction of the city. Item 35 is in regards to water service lines. He stated there was a really good debate at that meeting. He believes the city needs to change the design criteria manual. He said the city Engineering Department is granting exceptions to the design criteria manual from the curb stop/valve to the house. The exception request is from the curb stop to the main. From main waterline to the curb value, you can’t have anything but copper. From the curb valve to the house, you can use poly. Both lines can’t work without the other one. If they are granting exceptions from the curb stop to the house, he thinks the exception should be granted from the main to the curb stop. The developer pays for all the pipe that goes into the ground, which affects the lot price in the end. When that material is in the ground, there is a 2-year warranty that the contractor warrants that pipe. After that, the homeowner is responsible from their house to the water main. There is no cost or risk to the city or utility maintenance. He thinks it only makes sense to grant the exception since they are granting the exception from the curb stop to the main.

Michael Whalen spoke on Item 55. He represents Red Rock Meadows Home Owner’s Association, which are the neighbors to the subject property. He stated he was at last week’s Legal and Finance meeting to voice concerns about the proposed agreement. He said he told the committee that the 2015 legislative audit showed approximately $250,000 as due and owing from the developer. He stated that the new agreement failed to show the current amount or the payments that would be due in the future. The letter of credit securing the developer’s original debt may have been released and there was a promissory note not attached. Today he knows there is $234,000 owing on the original loan. There is a
missing $90,000 promissory note, with reason to believe that the note wasn't drafted or signed. The original letter of credit lapsed in 2010, the city failed to renew it and the debt is now unsecured. The assignment is a novation under the law and constitutes a new agreement discharging the original obligation. Finally, the 11 lots identified in the proposed agreement, take those by $10,000 each covers less than half of the debt due, despite this. From these facts and in the information provided he urges council to ratify the new agreement because to some degree this is a salvage operation.

Tina Mullally spoke on item 56. She is concerned council is putting the cart before the horse. She said there is Special Election on February 20th. She is concerned they are spending tax payer money that doesn't need to be spent. She asked why two resolutions need to be done on the bonds. She wanted to remind the council of the Civic Center election from March 10, 2015. She said the Rapid City citizens voted not to expand the civic center and that should be taken into consideration. Jordan Mason said that 61% of citizens voted no on the expansion in 2015. He said they are not prioritizing what matters most in the city. You can't do business without roads and that needs to be addressed. He thinks there are other problems to address besides entertainment. He stated that Rapid City has been ranked the sixth poorest city in South Dakota. He asked council to do their due diligence and take care of the things that matter most, roads and water. You don't hire a consultant unless you are going to do the work. You are telling the citizens that you aren't interested in what they have to say. Jodie Frye Byington said she was part of the group who got signatures in 2015 on the referendum. She stated the citizens said no to the expansion. It angers her that no one is listening. The city doesn't have the money to proceed with this and there is no use in wasting $15,000 to hire a consultant when the citizens have said no. She said she is pro-building but not pro-wasting. She thinks a lot can be fixed at a minimal price not the outrageous remodeling price. Needs can be met without the huge price tag. She said the city slipped this item in under the radar. She asked that they listen to the voters. Mary Piper has lived here since 1954. She said things are getting out of hand and the city doesn't have the money to be spent. The city needs to be more frugal. She said if the city doesn't have the money, then they shouldn't spend it. Mike Mueller, President of SD Citizens for Liberty is a group that protects the citizens, promotes limited government, and protects the constitution and hold elected officials accountable. He said his group has saved the citizens of Rapid City one half of a billion dollars with the referendums on the civic center, the school opt-out, the wheel tax and hopefully the water hike. The citizens have a voice and if you proceed then you aren't listening to the citizens.

Jackie Gerry said she was there to answer questions on item 77 if the council needs her.

CONSENT ITEMS – Items 2 – 68
The following items were removed from the Consent Items:

34. PW013018-28 – Acknowledge Report on Importance of Standardized Materials for Residential Water Service Lines within the Public Right of Way.

END OF CONSENT ITEMS

Mayor read in item (PW013018-28) Acknowledge Report on Importance of Standardized Materials for Residential Water Service Lines within the Public Right of Way. Motion was made by Salamun, second by Nordstrom to acknowledge the report. Salamun thanked the developers and builders who were at the public works meeting. Council needs to be cautious about making exceptions until they have all the data. It’s also important to look at progression in the industry. He said the Public Works Director will take the lead to form a task force to study the design criteria manual and bring in industry experts to make sure they approach this carefully. He looks forward to receiving the data.

Mayor read in item (PW013018-29) Deny Appeal of Exception Request from Renner and Associates to Waive the Requirements of Standard Specification Section 8.2, A, 4 and allow the use of HDPE pipe in lieu of K Copper for residential water services within the street right-of-way. Roberts said he would like to see this approved. He said you have to get this in the ground to prove that it works. There is no risk to the city because the homeowner is responsible to the service line. He said it’s being used in other parts of the country. Drew said she supports changing the design criteria. They owe it to the builders to look at the new product. Landeen said he wanted to clarify that the South Dakota Supreme Court said the city is responsible for the service line from the mainline to the curb stop. They did not overturn that the homeowner was responsible from the curb stop to the home. This is why exceptions have been granted from the curb stop to the home because that is the homeowner’s responsibility. From the main to the curb stop is the city’s responsibility. Motion was made by Lewis, second by Roberts to approve the exception. Lewis said he had a bad experience with copper pipe and it broke. He is in favor of using the new material. He stated the wrong kind of soil mixed with copper causes corrosion. Substitute motion was made by Scott, second by Laurenti to uphold the denial. She said there was a great discussion at public works. She stated that Dale Tech is looking into this. She would support a pilot program for trial of the new material. Laurenti said he trusts the engineers and he is willing to look at this in the future when there is more data to support it. Motion passed to uphold the denial 8-2 with Lewis and Roberts voting no.

Mayor read in item (LF013118-06) Approve Special Event Application for Annual RCPD Cruiser Car Show. Motion was made by Salamun, second by Modrick to approve. In response to a question from Salamun, Jegeris said the date changed to July 14, 2018. They are changing the annual car show from a Sunday to a Saturday. It will start at 4:00 p.m. and go to 9:00 p.m. Dan Senftner stated the downtown businesses are excited for the change. There should be better attendance on a Saturday. More businesses are open on Saturday than Sunday. He welcomes all the guests that will be attending. In response to a question from Drew, Senftner said the roads will be closed from Main Street and Sixth Street to Eighth Street. The St. Joseph corridor will remain open. This is the seventh year for the car show.

Mayor read in item (LF013118-08) Acknowledge December 2017 General Fund Cash Balance Report. In response to a question from Scott regarding the note at the bottom of the report, Sumption said at year end all of the ordinances and supplemental ordinances are no longer in play. Scott noted there was decrease in total cash from the previous year of about $2.4 million dollars. Scott said there was $570,000 left in undesignated cash. She asked if anything else is coming out. Sumption said two things are coming out in 2018 which are encumbrances and a supplemental appropriation for carry-overs. Sumption noted that carry-overs are not guaranteed. She said as of January 1st the new designated reserve also changes with the new 2018 budget. It is 15% of the general fund expenses less the capital outlay expenditures. Sumption said council approved balancing the budget with $1.3 million in undesignated cash. Sumption said this does not include any sales tax received in January or February that would have been for 2017 which would offset the expenditures that are carried over. They have not received final payment for 2017. Motion was made by Drew, second by Nordstrom and carried to acknowledge.
Mayor read in item (LF013118-12) Approve Resolution No. 2018-006 a Resolution Establishing 2018 Encumbrances. Scott said there was $570,000 currently undesignated and now $425,000 of that are the encumbrances. Motion was made by Modrick, second by Nordstrom and carried to approve.

RESOLUTION 2018-006
RESOLUTION ESTABLISHING 2018 ENCUMBRANCES

WHEREAS there are existing bills due and payable relating to Calendar Year 2017 operations of the City of Rapid City totaling $1,499,024.48, and

WHEREAS it is desirable that these bills be charged to the 2017 appropriation;

NOW, THEREFORE BE IT RESOLVED that the City Council of the City of Rapid City does hereby request that the Rapid City Finance Officer encumber appropriate balances of December 31, 2017, in the amount of $1,499,024.48.

s/ Steve Allender
Mayor

ATTEST:
s/ Pauline Sumption
Finance Officer

(SEAL)

Mayor read in item (LF013118-14) Approve Resolution No. 2018-008, a Resolution Declaring Certain Real Property Located Along Promise Road Surplus and Appointing Freeholders to Appraise the Property Prior to Sale. Motion was made by Scott, second by Modrick. Scott is in favor of declaring property surplus and having it appraised. She has heard rumors that buyers are ready to jump on the property. She isn’t sure the city should turn around and sell it. She is interested in hearing on how the city proposes to sell it because there are projects that are up and coming in our community. She is not necessarily ready to sell the property. Salamun echoes what Scott said. This property isn’t promised to anybody. Promise Road will be developed soon, so this is a valuable piece of property. The city needs to get the most out of the property that they can. Scott said the Fire Chief told them that this property was used with CIP Fire Department money. She said generally the practice is that money goes back for the same intention that it was first used. She stated this money didn’t come out of general fund. This money was not there for operating costs. She said city council could reallocate if they choose. Motion passed. The Mayor stated to reassure the council this is just surplussing the property and there are different options they can use to sell it. In the end, it will take 2/3 of the council to sell it.

Resolution #2018-008
A RESOLUTION TO DECLARE CERTAIN REAL PROPERTY LOCATED ALONG PROMISE ROAD SURPLUS AND APPOINT FREEHOLDERS TO APPRAISE PROPERTY PRIOR TO SALE

WHEREAS, the properties described below were acquired by the City of Rapid City in 1999 for purposes of constructing Station 6 for the Rapid City Fire Department; and

WHEREAS, the fire station only covers a portion of the property which was acquired; and

WHEREAS, the City desires to sell the properties as they are no longer needed for the fire station; and

WHEREAS, the below-described property is no longer necessary, useful or suitable for municipal purposes or the purposes for which it was acquired.

NOW, THEREFORE, BE IT RESOLVED, that the following property be declared surplus and disposed of according to state statutes:

Parcel ID: 3723351005
Tax ID: 54433
Legal Description: Lot 3
Subdivision: Owen Hibbard Subdivision
Total Acres: 0.63
Parcel ID: 3723352002
Tax ID: 54431
Legal Description: Lot 1
Subdivision: Owen Hibbard Subdivision
Total Acres: 3.07

BE IT FURTHER RESOLVED, that Jason Salamun, Ritchie Nordstrom, and Pauline Sumption be and are hereby appointed as a Board of Freeholders to appraise the property listed above as authorized by SDCL 6-13-2; and

BE IT FURTHER RESOLVED, that the Board of Freeholders shall also appraise the adjoining property declared surplus by Resolution 2014-097; and

BE IT FURTHER RESOLVED, that the Mayor and Finance Officer may do all acts necessary to dispose of this property according to state law; and

BE IT FURTHER RESOLVED, any proceeds from the disposal of said properties shall be placed in the Capital Improvement Program Fund and shall be designated for use by the Fire Department.

Dated this 5th day of February, 2018.

CITY OF RAPID CITY
s/ Steve Allender
Mayor

ATTEST:
s/ Pauline Sumption
Finance Officer

(SEAL)

Mayor read in item (LF013118-05) Approve FY2017 Community Development Block Grant Contract with Youth and Family Services. Scott said she would not support this item. She said when they originally applied the funds were supposed to go to repair a roof. She said this is federal money and she has a huge concern if they don’t track and utilize the funds in which the committee recommended, the city will get in trouble. She said now they are going to remodel a bathroom, buy a convection oven and move an HVAC cooling system. In response to a question from Drew, Landeen said he would need to review it further but he thinks since council authorized the change it’s more of a philosophical issue than a legal one. He thinks council has the authority to change it but can see where it could be subject to criticism. Modrick recalls prior discussion and that HVAC and other items were qualified items for CDBG funds. She said YFS needs to use awarded funds even if the project changed because the projects are still qualified under the rules. Motion was made by Lewis, second by Roberts approve. Lewis stated he is the liaison for this committee and the committee said this change was fine. Motion passed 9-1 with Scott voting no.

Mayor read in item (LF013118-18) Approve Authorize Mayor and Finance Officer to Sign Municipal Advisor Agreement with Dougherty & Co. in Regard to the Rushmore Plaza Civic Center Barnett Arena
Project. Motion was made by Modrick, second by Drew to approve. In response to a question from Roberts, Sumption said Doughtery is helping to write the resolution for whichever item ends up being passed. Their role is to help find the best financing options available for the city at the time they are looking to sell the revenue bonds. Roberts asked if it would be cheaper to have Doughtery look at bonds after option is picked instead of looking at financing options for $25 million and $110 million. Sumption said they aren’t doing it for both. It’s just the preliminary data that can work for either option. Right now they are looking at RFP’s for underwriters that would actually go out and sell the bonds. Whichever one is passed or referred and ends up being the one the council chooses, they are doing things now that will help the city in either scenario. The money and investment of time will not be wasted. Roberts said it still seems like they should be doing this after the vote. Sumption said they have to be under contract as a municipal advisor to run numbers so the city can do projections based on the estimated cost are going to be. The city wants to have the best information possible to get out to the public and get to council as well. Sumption explained what will happen at the special meeting on February 26, 2018. The council will decide which way they want to go. After that decision is made, the council will be presented with two different resolutions. The city is required to wait until 20 days after publication of the minutes before they can do anything with it anyway. Both resolutions will be on the agenda and council will choose one. Roberts asked why the original $25,000 was not paid between then and now. Sumption said the intent was to pay that fee out of the bond proceeds but Dougherty chose not to invoice the city because then the city would have had to take cash out of the vision fund. Landeen pointed out in the previous effort, this same process took place. He said it’s structurally the same and without the financial advisor, they can’t put together the bonding source. Landeen said because Dougherty did the work on the original one, it was financially better to have them do it again. Landeen said that Ray Woodsend was in the audience and he was the original city attorney when the civic center was bonded and built. He has a level of history and knowledge on the project that they couldn’t find with any other financial advisor. In response to a question from Nordstrom, Landeen said the resolution is what gets approved or referred and the financial information is needed to do the resolutions. The financial data is crucial for council to see before they decide which option to choose as far as repair or new. Nordstrom said it was very important for him to have the financial data before he chooses the option he wants. Nordstrom started talking about the street fixes. Roberts called for point of order. He said Nordstrom was off topic. Mayor agreed and directed Nordstrom to stick to the topic. Nordstrom wanted the audience to know that the money for the civic center was coming from the vision fund and not money for street fixes. Modrick asked Ray Woodsend if he wanted to share anything with council. Woodsend said he would assist in making sure bond council writes a resolution that provides for flexibility. He said if the item gets referred, the resolution basically has to be done on the 26th in order to make the June primary. Modrick appreciates the time Dougherty has spent now and in 2014 on its work for the civic center. In response to a question from Laurenti, Landeen said everything is in place exactly how it was the first time it was referred. Scott called the question. Roberts objected. Mayor said he was out of time to speak. Motion was approved 9-1 with Roberts voting no. Mayor stated that this item is an emotional issue. He thanked Roberts and Sumption for their dialogue. He said there are protections in place to protect the citizen’s right to refer things, including the 20-day period after publication. He said there is no way council could sneak this by the citizens and there is no effort or intent to do any such thing. It has been publicized in the open and that’s why we are here.

Mayor read in item (CIP011918-08) Acknowledge Developer Deferred Projects. Motion was made by Nordstrom, second by Armstrong to acknowledge. Nordstrom drew attention to the attachment. The list shows developer deferred infrastructure improvements. In most cases, those projects end up in front of the CIP committee. He would like city council to review the projects that have been kicked down the road because of waiving requirements.

Roberts left the meeting at 7:58 p.m.
Ordinance 6221 (LF011018-07) An Ordinance Regarding Supplemental Appropriation #1 for 2018 having passed its first reading on January 20, 2018 motion was made by Salamun, second by Lewis that the title be read the second time. Upon vote being taken the following voted AYE: Scott, Drew, Nordstrom, Modrick, Salamun, Lewis, Armstrong, Laurenti, Drury and Roberts; NO: None; whereupon the Mayor declared the motion passed and Ordinance 6221 was declared passed upon its second reading.

Ordinance 6217 (No. 17RZ036) An Ordinance Amending Section 17.06 of Chapter 17 of the Rapid City Municipal Code, a request by KTM Design Solutions, Inc for DTH, LLC for a Rezoning from Low Density Residential District to Medium Density Residential District for property generally described as being located southwest of the intersection of Degeest Drive and Big Sky Drive. Motion was made by Drew, second by Modrick and carried that Ordinance 6217 be approved and placed upon its first reading and the title was fully and distinctly read and second reading be set for Tuesday, February 20, 2018.

Ordinance 6218 (No. 17RZ037) An Ordinance Amending Section 17.06 of Chapter 17 of the Rapid City Municipal Code, a request by Margaret Grosse Hyatt for a Rezoning from Light Industrial District to General Commercial District for property generally described as being located southeast corner of the intersection of Dyess Avenue and E. Mall Drive. Motion was made by Modrick, second by Drury and carried that Ordinance 6218 be placed upon its first reading and the title was fully and distinctly read and second reading be set for Tuesday, February 20, 2018.

Ordinance 6219 (No. 17RZ038) An Ordinance Amending Section 17.06 of Chapter 17 of the Rapid City Municipal Code, a request by KTM Design Solutions, Inc for Stoneridge LLC for a Rezoning from Low Density Residential District to General Commercial District for property generally describes a being located northwest of the intersection of Parkview Drive and 5th Street. Motion was made by Salamun, second by Lewis and carried that Ordinance 6219 be approved in conjunction with Planned Development 17PD057 and placed upon its first reading and the title was fully and distinctly read and second reading be set for Tuesday, February 20, 2018.

Roberts returned to the meeting at 8:01 p.m.

Ordinance 6222 (No. 17RZ039) An Ordinance Amending Section 17.06 of Chapter 17 of the Rapid City Municipal Code, a request by KTM Design Solutions, Inc for ZCO Incorporated for a Rezoning from General Agricultural District to Light Industrial District for property generally described as being located at the intersection of Marlin Drive and Bernelli Drive. Motion was made by Drew, second by Lewis and carried that Ordinance 6222 be placed upon its first reading and the title was fully and distinctly read and second reading be set for Tuesday, February 20, 2018.

Ordinance 6220 (17OA003) An Ordinance Amendment to Clarify Uses in Residential Districts by Amending Title 17 of the Rapid City Municipal Code. Motion was made by Drury, second by Armstrong and carried that Ordinance 6220 be placed upon its first reading and the title was fully and distinctly read and second reading be set for Tuesday, February 20, 2018.

Ordinance 6224 (LF013118-04) An Ordinance Repealing Chapter 1.08 of the Rapid City Municipal Code Relating to Wards and Precincts and Adopting a New Revised Chapter 1.08 of the Rapid City Municipal Code. Motion was made by Modrick, second by Laurenti and carried that Ordinance 6224 be placed upon its first reading and the title was fully and distinctly read and second reading be set for Tuesday, February 20, 2018.

Public Works Committee Items
Drew read in item (PW112817-17) Appeal of Denied Exception Request from KTM Design Solutions on Behalf of Dean Hamm to waive the requirement to construct sewer main along Muirfield Drive (City File
17EX197), the only exception denied by Staff out of four total exceptions submitted for the project. Motion was made by Salamun, second by Nordstrom and carried to approve the exception.

**Council Items & Liaison Reports**

Motion was made by Modrick, second by Salamun to (LF013118-15) Acknowledge Human Relations Commission – Semi-Annual Update. Modrick thanked Jackie Gerry and the committee for their work and asked her to highlight the report. Gerry said between August and December 2017, they had one employment complaint that was dismissed because it didn't meet the criteria. The city attorney's office fielded 12 phone calls and four of those resulted in meeting with staff. The remaining called were referred to the state. There were a few resignations on the commission and Seth Mallot and Shad Storm were appointed to fill the positions. The committee had sexual harassment training with Jess Rogers. The public service announcements continue to run on all channels in Rapid City. Modrick said the committee is very valuable. They are there for any human relations problems and is a good resource.

**PUBLIC HEARING ITEMS – Items 78 – 79**

**CONSENT PUBLIC HEARING ITEMS** – Item 78 – 79

**Alcohol Licenses**

78. Essence of Coffee DBA Essence of Coffee, 5509 Bendt Drive, Suite 305 for a Retail (on-off sale) Malt Beverage License and Retail (on-off sale) Wine License TRANSFER from LMN LLC DBA Pure Bean SW, 5509 Bendt Drive Suite 305

79. Knights of Columbus Council #8844 for a SPECIAL EVENT Malt Beverage and On Sale Wine for an event scheduled for February 9, 2018 at Blessed Sacrament Church, 4500 Jackson Blvd

Motion was made by Scott, second by Laurenti and carried to approve items 78 and 79.

**END OF CONSENT PUBLIC HEARING CALENDAR**

Motion was made by Lewis, second by Armstrong and carried to go into Executive Session at 8:08 p.m.

**EXECUTIVE SESSION** - Pursuant to SDCL 1-25-2(3) to consult with legal counsel regarding pending litigation.

Motion was made by Salamun, second by Roberts and carried to come out of Executive Session at 8:28 p.m. with all members present.

**BILLS**

The following bills have been audited:
