Re: Behavior policy revisions

**Motion:** Approve revisions to the Behavior Policy as presented.

**Background:** The Behavior Policy outlines expectations for the appropriate use of the downtown and north library facilities. Persons may be suspended from the libraries for a week or more based on violations of that policy.

Anyone suspended may appeal their suspension. A recommended policy change is to have the Library Director act on appeals to suspensions of one month or less, in order to ensure a timely response to the appellant.

Additional revisions to the Behavior Policy are to simplify language.
